

Curriculum Vitae

CHRISTOS LAZARIDIS, M.D

PERSONAL

Business Address: Department of Neurosciences
Division of Neurology
96 Jonathan Lucas Street – Ste 307 CSB
Charleston, SC 29425

MEDICAL TRAINING

7/2006- Present	Fellow	Neurosciences Critical Care Departments of Neurology, Neurological Surgery, and Anesthesiology/Critical Care Medicine Johns Hopkins University Hospital, Baltimore, MD
7/2005-6/2006	Chief Resident	Department of Neurology University of Texas, Southwestern Medical Center, Dallas, TX
7/2003-6/2005	Resident	Department of Neurology University of Texas, Southwestern Medical Center, Dallas, TX
6/2002-6/2003	Intern	Department of Internal Medicine Graduate Hospital, Philadelphia, PA

APPOINTMENTS

7/01/2008 Assistant Professor
Department of Neurosciences/Div of Neurology
Medical University of South Carolina, Charleston, SC

EDUCATION

DEGREE

9/1995-9/2001	Pecs University Medical School Pecs, Hungary	M.D
---------------	---	-----

HONORS AND AWARDS

- 2006 American Neurological Association Resident scholarship
- 2006 Chief Neurology Resident- UT Southwestern
- 2006 American Academy of Neurology Resident Scholarship
- 2006 Victor Rivera UT Southwestern Neurology Resident Award
- 2005 Young Investigator Award- Texas Neurological Society
- 2005 Victor Rivera UT Southwestern Neurology Resident Award
- 2004 Neurology Residents Scholar Program in Epilepsy (UCB Pharma)
- 2001 Student Researcher Society Scholarship- Pecs University Medical School
- 1998 Einthoven ECG Scholarship- Department of Cardiology, Pecs University Medical School

TEACHING

- 2006- Present Lectures for Neurology, Neurological Surgery, Anesthesiology/Critical Care Medicine Residents, Johns Hopkins University - Select topics in Neurocritical Care
- 2004-2006 Lectures for Medical Students and Neurology Residents, UT Southwestern- Select topics in Clinical Neurology
- 2005 Lectures for Physician Assistant Students, UT Southwestern Allied Health Sciences School- Select topics in Clinical Neurology

RESEARCH EXPERIENCE

- 2008 Monitoring of Cerebral Autoregulation
Supervisors: Marek Czosnyka M.D and Peter Smielewski M.D
Department of Clinical Neurosciences, University of Cambridge, UK

- 2007 Extubation trial in the Neurosciences ICU- NEUROLIB
Randomized Controlled trial, Design and IRB application
Supervisor: Robert Stevens, M.D
Johns Hopkins University Hospital
- 2007 Assessment of Cerebral autoregulation using Near-Infrared
Spectroscopy and the Pressure Reactivity Index (PRx)
Pilot study, Design and IRB application
Supervisor: Ken Brady, M.D and Marek Mirski, M.D/PhD
Johns Hopkins University Hospital
- 2007 Ventilator Associated Pneumonia in Status Epilepticus
Retrospective database study
Supervisor: Wendy Ziai, M.D and Romergryko Geocadin M.D
Johns Hopkins University Hospital
- 2001 Thesis: Somatosensory Evoked Potential Examinations in
Generalized Epilepsy, a pilot study
Supervisors: Ferenc Nagy, M.D and Jozsef Czopf, M.D, Ph.D
Department of Neurology, Pecs University Medical School

JOURNAL REVIEWER

Assisted in reviews for *Critical Care Medicine*
Assisted in reviews for *Intensive Care Medicine*
Assisted in reviews for *Neurocritical Care*
Assisted in reviews for *Stroke*

PUBLICATIONS

Lazaridis C, Geocadin R “ Weakness and Failure to wean from the Ventilator”
Syllabus for the 2008 American Academy of Neurology (AAN) meeting, course
on Neurologic Consultations in the ICU

Singer M.A, Lazaridis C, Nations S.P, Wolfe G.I “ Reversible Nitrous Oxide-
Induced Myeloneuropathy with Pernicious Anemia: Case Report and Review of
the Literature ”
Muscle Nerve. 2008 Jan;37(1):125-9

Lazaridis C, Ziai W, Venkatraman A, Kim G, Geocadin R “ Mechanical
Ventilation in Status Epilepticus” *Crit Care Med* 2007 Vol. 35, No. 12 (Suppl)
Abstract A210

Lazaridis C, Geocadin R, Mirski M “ Hypernatremia associated with adverse cardiovascular and neurological outcomes in SAH ” Letter to the editor-
Neurocrit Care 2007 7:270–271

Lazaridis C, Torabi A, Cannon S “ Bilateral third nerve palsy and temporal arteritis ”
Arch Neurol. 2005 Nov;62(11):1766-8. Review.

PRESENTATIONS

- 2008 Mechanical Ventilation in Status Epilepticus
SCCM's 37th Critical Care Congress- Poster Discussion
Christos Lazaridis M.D, Wendy Ziai M.D, Romergryko Geocadin
- 2007 Ventilator Associated Pneumonia in Status Epilepticus
Neurocritical Care Society, Annual Conference Poster Session
Christos Lazaridis M.D, Wendy Ziai M.D, Romergryko Geocadin
M.D
- 2007 Intra-Aortic Balloon Counterpulsation in the setting of Aneurysmal
Subarachnoid Hemorrhage, Cerebral Vasospasm, and Cardiac
Stunning
Neurocritical Care Society, Annual Conference Poster Session
Christos Lazaridis M.D, Paul Nyquist M.D
- 2007 Endotracheal Intubation for Management of Adult Status
Epilepticus
Neurocritical Care Society, Annual Conference Poster Session
Wendy Ziai M.D, **Christos Lazaridis M.D**, Romergryko Geocadin
M.D
- 2005 Combined Intravenous and Intra-arterial Thrombolysis in Acute
Middle Cerebral Artery Occlusion
Neurocritical Care Society, Annual Conference Poster Session
Christos Lazaridis M.D, Jose Cardenas M.D, Hal Unwin M.D
- 2005 Seizures after Intravenous Iohexol for Cerebral Angiography
Neurocritical Care Society, Annual Conference Poster Session
Jose Cardenas M.D, **Christos Lazaridis M.D**, Hal Unwin M.D
- 2005 Bilateral Third Nerve Palsy and Temporal Arteritis
Platform (Oral) presentation, Texas Neurological Society
Christos Lazaridis M.D, Amir Torabi M.D, Stephen Cannon M.D

- 2005 Reversible Myeloneuropathy due to Vitamin B12 deficiency compounded By administration of nitrous oxide. Platform (Oral) presentation
27th Annual Carrell-Krusen Neuromuscular symposium
Christos Lazaridis M.D, Mike Singer M.D, PhD and Gil I Wolfe M.D
- 2001 Median Somatosensory Evoked potential examinations in patients with Primary generalized epilepsy
Platform (Oral) presentation, International League Against Epilepsy,
Hungarian Section
Christos Lazaridis M.D, Ferenc Nagy M.D, Jozsef Czopf M.D, PhD

MEMBERSHIPS AND LICENSURE

Maryland State Medical License

Neurology Specialty Board Examination Part I, passed October 2006

Neurology Specialty Board Examination Part II, passed May 2007

American Board of Psychiatry and Neurology Certificate

American Academy of Neurology

Society of Critical Care Medicine

Neurocritical Care Society

Greek Medical Association
