

## CURRICULUM VITAE

### **James Peter VanDorsten, M.D.**

**OFFICE ADDRESS** Department of Obstetrics and Gynecology  
Medical University of South Carolina  
96 Jonathan Lucas Street, Box 250619  
Charleston, SC 29425  
Telephone: (843) 792-4509

**LICENSURE** South Carolina  
North Carolina  
California  
Virginia

### **EDUCATION**

Davidson College, Davidson, North Carolina; B.S.; 1967  
University of North Carolina School of Medicine, Chapel Hill, North Carolina; M.D.; 1971

### **TRAINING**

Medical University of South Carolina, Charleston, South Carolina; Internship in Internal  
Medicine; 1971-1972  
Medical University of South Carolina, Charleston, South Carolina; Residency in  
Obstetrics and Gynecology; 1972-1976  
Los Angeles County/University of Southern California, Los Angeles, California;  
Fellowship in Maternal-Fetal Medicine; 1979-1981

### **APPOINTMENTS**

Lawrence L. Hester Professor and Chairman (tenured), Department of Obstetrics and  
Gynecology, Medical University of South Carolina, Charleston, South Carolina;  
April 2000.  
Professor (tenured) and Vice Chairman, Department of Obstetrics and Gynecology,  
Medical University of South Carolina, Charleston, South Carolina; November  
1992 to April 2000.  
Professor (tenured), Director of Maternal-Fetal Medicine, Department of Obstetrics and  
Gynecology, Medical College of Virginia, Richmond, Virginia; June 1991 to  
October 1992  
Associate Professor, Director of Maternal-Fetal Medicine, Department of Obstetrics and  
Gynecology, Medical College of Virginia, Richmond, Virginia; July 1987 to May  
1991.  
Associate Professor, Department of Obstetrics and Gynecology, Medical University of  
South Carolina, Charleston, South Carolina; 1985 to 1987.  
Assistant Professor, Department of Obstetrics and Gynecology, Medical University of  
South Carolina, Charleston, South Carolina; 1981-1985

Clinical Instructor, Department of Obstetrics and Gynecology, University of Southern California School of Medicine, Los Angeles, California; 1979-1981  
Full-time practice of Obstetrics and Gynecology, Active Duty, U.S. Army Hospital, Berlin, Germany; 1976-1979  
Chief Resident and Teaching Fellow, Medical University of South Carolina, Charleston, South Carolina; 1975-1976

## **BOARD CERTIFICATION**

American Board of Obstetrics and Gynecology, November 1978 (Specialty)  
Board Certified in Maternal-Fetal Medicine, December 1983 (Subspecialty)  
Re-Certified, ABOG, 1989, 2000, 2001, 2002, 2003, 2004

## **AWARDS AND OTHER HONORS**

Golden Apple Teaching Award, Medical University of South Carolina, Charleston, South Carolina; 1982, 1997  
Honor Faculty Alpha Omega Alpha, Medical University of South Carolina, Charleston, South Carolina; February 1987  
Outstanding Faculty Teaching Award for District IV of ACOG; Sponsored by Junior Fellows of ACOG. The Donald F. Richardson Memorial Lecture, "The Impact of the 1980's on the 1990's", October 1990  
Best Poster, "A Computerized Database that Does More", SPO, 1992.  
Chosen by fellow physicians to be listed in the publication "*The Best Doctors in America*" publisher Woodward/White, Inc. 1992, 1994, 1998, 1999, 2001, 2002, 2003, 2004, 2005, 2006, 2007  
Member of MUSC Key 100, Medical University of South Carolina, Charleston, SC, 1993  
Guest faculty and judge. John D. Thompson Resident Research Program and Twenty-Ninth Annual Clinical Topics. Department of Gynecology and Obstetrics, Emory University, Atlanta, Georgia, May 18-19, 1995  
Chosen by fellow physicians to be listed in the publication "*The Best Doctors in America: Southeast Region (1996-97)*", publisher Woodward/White, Inc.  
Chosen by Medical University of South Carolina College of Medicine Class of 1997 to participate in Oath Ceremony, 5/15/97  
Chosen by fellow physicians to be listed in the *Good Housekeeping* in its list of the country's best doctors for women, August 1997  
Chosen by Medical University of South Carolina College of Medicine Class of 1997 to participate in Oath Ceremony, 5/14/98  
University of Texas - Houston Resident Research Day. Faculty and Judge, June 1998  
Chosen by medical students as the best student teacher, December 1998  
Chosen by Medical University of South Carolina College of Medicine Class of 1999 to participate in Oath Ceremony, 5/20/99  
1999 CREOG Faculty Award for Excellence in Resident Education  
Chosen by Medical University of South Carolina College of Medicine Class of 1999 to participate in Oath Ceremony, 5/18/00  
Chosen for inclusion in *America's Top Doctors*, publisher Castle Connolly Medical Ltd., New York, NY, 2003 to present

Chosen for inclusion in *Guide to American's Top Obstetricians and Gynecologists*,  
Consumers' Research Council of America, Washington, DC, 2004  
Chosen for inclusion in *Who's Who Among American's Teachers* 2003-2004, Austin, TX  
Chosen for inclusion in *Academic Keys Who's Who in Medical Sciences Education*,  
2005  
Medical Student Teacher of the Year for the ob/gyn core rotation, 2004-2005  
Chairman of the Steering Committee, Maternal Fetal Medicine Network, NICHD, 2006

## **GRANTS**

"A Controlled Multicenter Comparative Trial of Various Prenatal Supplements Containing Iron Part I", Pharmaceutical Food & Drug Associates, Incorporated  
"A Controlled Multicenter Comparative Trial of Various Prenatal Supplements Containing Iron Part II", Pharmaceutical Food & Drug Associates, Incorporated  
"Preterm Birth Prevention", State Health Department, 1987  
"Perinatal Outreach Education" State Health Department, 1987-88, 1988-89; 1989-90; 1990-91  
"Cooperative Multicenter Network of Maternal-Fetal Medicine Unit" National Institute of Health and Human Development, 4/1991 - 3/1996.

## **SPECIAL APPOINTMENTS**

Reviewer for peer review journals - *American Journal of Obstetrics and Gynecology*,  
*Obstetrics and Gynecology*, *Journal of Maternal-Fetal Investigation*, *American Journal of Perinatology*, *International Journal of Obstetrics and Gynecology*, and *Women's Health Issues*  
Medical Student Advisor, Medical College of Virginia, 1988, 1989, 1990, 1991, 1992.  
Task Force on Obstetrical Prolog II, published 1988 (ACOG CME)  
Board Examiner for the American Board of Obstetrics and Gynecology: 1987- present  
Sub-specialty Board Examiner for the American Board of Obstetrics and Gynecology, 1990 - present  
March of Dimes - Grant Application Reviewer, 1988  
Mentor - Virginia Governor's School Program, 1989, 1990, 1991, 1992  
ACOG, Education Commission, Committee on Technical Bulletins, 1989-91  
Virginia Perinatal Service Advisory Board, appointed by Governor Baliles 1989; appointed by Governor Wilder 1990; Chairman, Access to Care Committee  
Board of Directors, Society of Perinatal Obstetricians, 1990-1994; Reviewer of abstracts for the Annual Meeting of Society of Perinatal Obstetricians - 1990 - present  
Chairman, Standards Committee, Society of Perinatal Obstetricians - Process 200 manuscripts for *American Journal of Obstetrics and Gynecology*, 1992-94  
ACOG, Vice-Chairman, Committee on Technical Bulletins - Obstetrics, 1991  
ACOG Scientific Program Committee, Annual Clinical Meeting, 1991-1996  
Course Director, ACOG Post-Graduate Course, Annual Clinical Meeting 1991, 1992  
ACOG Post Graduate Course, District IV, Charleston SC, 1992  
Co-chairman, MII Reproduction Course, School of Medicine, Medical College of Virginia, 1991, 1992

Member, Advisory Committee on Policy, *American Journal of Obstetrics and Gynecology*, 1990-Present  
Medical School Curriculum Council, 1992  
Planning Committee, appointed by MCVAP Board of Directors, 1992  
ACOG Post Graduate Course, District IV, Atlanta, GA, 1993  
ACOG Post Graduate Course, Snowmass, CO 1994  
Residency Program Director, 1992 - Present  
ACOG Education Commission, 1995 - present  
Secretary, University Medical Associates, 1995 - present  
Assistant Secretary Treasurer, Society of Perinatal Obstetricians, 1995 - 1997  
Secretary Treasurer, Society of Perinatal Obstetricians, 1997 - 1999  
SPO Board of Directors 1995 - 1999  
President Elect Society for Maternal Fetal Medicine (formerly SPO), 1998-1999  
Chairman, Advisory Board, MFMU Network, NICHD, 1997 to 2000  
Department of Anesthesiology Chairman Search Committee, 2001  
Education Policy Committee, 2001 to present  
External Reviewer, Department of Obstetrics and Gynecology, University of Texas – Houston, 2002  
LCME Self-Study Task Force, College of Medicine, November 2003 – January 2004  
Peer Review Committee, College of Medicine, August 2004 – present  
Chairman, Radiation Oncology Search Committee, College of Medicine, August 2004 – 2005  
Chairman, Maternal Fetal Medicine Units Steering Committee, NICHD, April 2006 to present  
Study Section, NICHD, March 2006  
Invited speaker, Allan C. Barnes Memorial Lecture, Ohio State University, Columbus, OH, October 18, 2007

## **ORGANIZATIONS AND SOCIETIES**

American College of Obstetricians and Gynecologists, Fellow  
American Medical Association  
Charleston County Medical Society  
Society of Perinatal Obstetricians  
Society for the Relief of the Families of Deceased and Disabled Indigent Members of the Medical Professions of the State of South Carolina  
South Atlantic OB-GYN Society  
South Carolina Obstetrical and Gynecological Society  
Southern Perinatal Association  
Thegos Society (Society for those completing an OB/GYN residency at the Medical University of South Carolina)  
North American Obstetrical and Gynecological Society, Board Member, and Vice-President 1990  
Richmond Ob/Gyn Society-Program Committee Chairman, 1989, 1990, 1991, 1992  
Richmond Academy of Medicine-Insurance Committee 1989  
Dallas-Fort Worth OB/GYN Society  
Virginia State Perinatal Outreach Education Needs Assessment Committee  
Virginia OB/GYN Society

March of Dimes - Advisory Board  
Robert A. Ross OB/GYN Society  
North American Obstetrical and Gynecological Society, President, 1990-91  
South Carolina Perinatal Association  
Charleston County Medical Society  
Southern Medical Association  
American Gynecological and Obstetrical Society

## **PUBLIC SERVICE/COMMUNITY SERVICE**

Team Captain, March of Dimes Walk-America, 1989-92  
Boy Scouts:  
    Scout Master Troop 444  
    Executive Board, Robert E. Lee Council  
Downtown Club of Rotary International - (Subcommittees; Medical Services, Education,  
    Sergeant-At-Arms)  
Davidson College Alumni Association, Annual Fund Committee, Chairman of class fund-  
    raising 1990-92  
Davidson College, Board of Trustees, ad hoc member, 1994 - present  
Volunteer Camp Physician, Camp SeaGull, 1990 - 1994

## **HOSPITAL COMMITTEES**

Medical University of South Carolina - 1981-87  
    Faculty Senate (Elected by the College of Medicine)  
    Infection Control Committee  
    Patient Review Committee  
    Task Force Clinical Relations, MUSC/CMH  
    Space Allocation Committee  
    Bylaws Review Committee

Medical College of Virginia - 1987-92  
    Associate, Maternal Serum Alpha-Fetoprotein Screening Program  
    Medical Records Committee  
    Ethics Committee  
    Four-Year Subject Matter Committee - Reproduction Committee,  
        School of Medicine

Medical University of South Carolina - 1992-present  
    Medical Records Committee  
    UMA Multispecialty Group Committee  
    Promotion and Tenure Committee - 1993-1997  
    Women's and Infant's Services Committee, 1993 - present  
    Subcommittee on Clinical Electives, 1994  
    Pharmacy and Therapeutics Committee Liaison Representative, 1994  
    Working Group for Updating College's Strategic Plan  
    UMA Executive Committee, Secretary/Treasurer - 1995 to present

Board of Directors, Health Carolina Network, 1995 to present  
UMA Nominating Committee, 1995  
Search Committee for Chairman of Family Medicine, 1996  
Charleston County Medical Society/MUSC Liaison Committee 1995 to present  
Sexual Assault Task Force Committee, 1996 to present  
Primary Care Lecture Series, Planning Committee 1995 - 1997  
Graduate Medical Education Committee, 1997 to present  
Joint Commission Mock Survey Task Force, 1997  
Appointment member of Graduate Faculty, 1998  
Medical Executive Committee, 2000 to present  
University Steering Committee, 2000 to present  
Anesthesia Chair Search Committee, 2001  
Chairman, Leadership Campaign, Trident United Way, 2004  
Search Committee for CEO of University Medical Associates, 2007

## **PUBLICATIONS**

Dillon AE, VanDorsten JP, Miller MC: Predictive value of station in the nullipara on mode of delivery. Submitted for SPO meeting January 23-28, 1995, Atlanta, GA.

Eller DP, VanDorsten JP: Route of delivery for the breech presentation: A conundrum. Ob/Gyn Digest (in press)

Caritis SN for NICHD MFMU Network: Low dose aspirin does not prevent preeclampsia in high risk women. Submitted for SPO meeting January 20-25, 1997, Anaheim, CA

Newman R for the NICHD MFMU Network: Occupational fatigue and preterm premature rupture of membranes. Submitted for SPO meeting January 20-25, 1997, Anaheim, CA

Newman R for the NICHD MFMU Network: The preterm prediction study: Impact of twin discordancy on neonatal outcome. Submitted for SPO meeting January 20-25, 1997, Anaheim, CA

Brost BC for the NICHD MFMU Network: The preterm prediction study: Association of gestational diabetes and excessive fetal growth with maternal body mass index. Submitted for SPO meeting January 20-25, 1997, Anaheim, CA

Brost BC for the NICHD MFMU Network: Run-in compliance testing accurately predicts protocol adherence in low risk pregnancies. Submitted for SPO meeting January 20-25, 1997, Anaheim, CA

Dillon A, Menard K, VanDorsten P, Rust P, Newman R. Glucometer correlation on venous glucoLA samples. Society of Perinatal Obstetricians meeting January 20-25, 1997, Anaheim, CA Am J Obstet Gynecol 176:S178, 1997

Dillon A, Newman R, Menard K, Hogg B, VanDorsten P: Impact of physician/patient discretion on vaginal birth after cesarean. Submitted for SPO meeting January 20-25, 1997, Anaheim, CA,

Dillon A, Newman R, Hogg B, Johnson D, VanDorsten P: Impact of tertiary care referral on vaginal birth after cesarean. Society of Perinatal Obstetricians meeting January 20-25, 1997, Anaheim, CA, Am J Obstet Gynecol 176:S139, 1997

Iams JD for the NICHD Maternal Fetal Medicine Network, Bethesda, Maryland: Sonographic cervical length in singletons vs. Twins in the preterm prediction study. Submitted for SGI meeting, 1996.

Newman RB for the NICHD Maternal Fetal Medicine Network, Bethesda, Maryland: The preterm prediction study: Comparison of the cervical score and bishop score for the prediction of spontaneous preterm birth (SPTB) in singleton gestations. Submitted for SGI meeting, 1996.

Caritis S, Sibai B, Hauth J, VanDorsten P, Lindheimer M, Klebanoff M, Thom E, Paul R, Miodovnik M, Iams J, Thurneau G, Meis P, Bottoms S, McNellis D, Roberts J, and the NICHD MFMU Network Bethesda MD: Low dose aspirin does not prevent preeclampsia in high risk women. Submitted for World Congress on Labor and Delivery

Hulsey TC, Alexander GR, VanDorsten JP: Cause of preterm birth in first and second deliveries. Preterm Birth Conference, Charleston, SC, October, 1997

Iams J for the NICHD MFMU Network, Bethesda, MD: Prediction of preterm birth with ambulatory measurement of uterine contraction frequency (UCF). Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Beazley D for the NICHD MFM Network, Bethesda, MD: Impact of amnionitis and antepartum antibiotic treatment on neonatal outcome after PPROM. Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Sibai BM for the NICHD MFM Network, Bethesda MD: Proteinuria and adverse pregnancy outcome in women with chronic hypertension. Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Caritis SN for the NICHD MFMU Network, Bethesda, MD: Predictors of preeclampsia in high risk women. Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Hauth JC for the NICHD MFMU Network, Bethesda, MD: Maternal serum thromboxane B2 (TxB2) reduction did not predict improved pregnancy outcome in high risk women in a low-dose aspirin trial. Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Hauth JC for the NICHD MFMU Network, Bethesda, MD: Adverse maternal fetal and neonatal outcomes in women in a low-dose aspirin trial who developed preeclampsia. Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Hauth JC for the NICHD MFMU Network, Bethesda, MD: Safety of low-dose aspirin in high risk patients. Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Caritis SN for the NICHD MFMU Network, Bethesda, MD: Impact of preeclampsia on a subsequent pregnancy. Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Moawad AH for the NICHD MFMU Network, Bethesda, MD: The preterm prediction study: Risk factors for fetal growth restriction (FGR). Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Newman RB for the NICHD MFMU Network, Bethesda, MD: Impact of tocolytic therapy on uterine contraction frequency. Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

How H for the NICHD MFMU Network, Bethesda, MD: The accuracy of vaginal pool fetal pulmonary maturity testing at gestational ages of less than 31 weeks. Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Iams JD, Goldsmith LT, Weiss G for the NICHD MFMU Network, Bethesda, MD: Maternal serum relaxin (R), sonograph cervical length (CL) and spontaneous preterm birth (SPTB) in twins. Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Iams JD for the NICHD MFMU Network, Bethesda, MD: Uterine contraction frequency (UCF) and preterm birth. Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Goldenberg RL, Newman MJ, Guerrant RL for the NICHD MFMU Network, Bethesda, MD: The preterm prediction study; Cervical lactoferrin (LF), infection and spontaneous preterm birth (SPB). Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Moawad AH for the NICHD MFMU Network, Bethesda, MD: The preterm prediction study: The value of serum alpha-fetoprotein (AFP) and alkaline phosphatase (ALK Phos) in prediction of spontaneous preterm birth (SPTB). Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Mercer B for the NICHD MFMU Network, Bethesda, MD: Accuracy of ultrasound for prediction of birth weight after PPRM. Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Miodovnik M for the NICHD MFMU Network, Bethesda, MD: Risk factors associated with preterm premature rupture of the membranes (PPROM). Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Goldenberg RL for the NICHD MFMU Network, Bethesda, MD: Serum ferritin, PROM and pregnancy outcome. Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Andrews WW for the NICHD MFMU Network, Bethesda, MD: The preterm prediction study: Sialidase is associated with bacterial vaginosis not spontaneous preterm birth. Presented at the 1998 annual meeting of the Society of Perinatal Obstetricians, Miami Beach, FL, February 2-7, 1998.

Ernest M for the NICHD MFMU Network, Bethesda, MD: Varicella Zoster pneumonia in pregnancy: Maternal risk factors and outcomes. Presented at the 45th Annual Meeting of the Society for Gynecologic Investigation. Atlanta, GA, March 1998.

Rosen B for the NICHD MFMU Network, Bethesda, MD: Antenatal markers of neonatal sepsis following preterm premature rupture of membranes. Presented at the 45th Annual Meeting of the Society for Gynecologic Investigation. Atlanta, GA, March 1998.

Soper DE, Brown S, VanDorsten JP: Safety and cost effectiveness of managing patients at risk for immediate preterm delivery on a minimum care unit. Submitted for Annual Clinical Meeting, American College of Obstetricians and Gynecologists, New Orleans, May, 1998.

Hulsey T, VanDorsten P: Association of demographic and medical risk factors and causes of preterm birth. Presented at the Society for Epidemiologic Research, Chicago, June 24-26, 1998

Chasedunn-Roark J, VanDorsten J, Hulsey TC: The effect of duration of latency after PPROM on neonatal morbidity and mortality. Submitted to the American College of Obstetricians and Gynecologists 1998 District IV meeting, White Sulphur Springs, West Virginia.

Branch DW, Porter TF, Rittenhouse L, Caritis S, Sibai B, NICHD MFMU Network: Antiphospholipid antibodies in women at risk for preeclampsia. Presented at the Nineteenth Annual Meeting of the American Gynecological and Obstetrical Society, Williamsburg, Virginia, September 7-9, 2000.

Berghella V, Klebanoff M, McPherson C, Carey C, Hauth JC, Hillier SL, Nugent RP, Ernest JM, Heine RP, Wapner RJ, Trout W, Moawad A for the NICHD MFMU Network: Sexual intercourse association with asymptomatic bacterial vaginosis and *trichomonas vaginalis* treatment in relationship to preterm birth. Society of Maternal Fetal Medicine annual meeting, New Orleans, LA, January 17-19, 2002.

Armstrong D, Chang E, Robinson C, Sullivan S, Johnson D, Vermillion S, VanDorsten J: A comparison of vertical and Pfannenstiel incision in patients undergoing cesarean delivery with the syndrome of hemolysis. Elevated liver enzymes and low platelets (HELLP), annual meeting of the Society for Maternal Fetal Medicine, Reno, NV, 2005

Sullivan S, Smith T, Chang E, Hulsey T, VanDorsten J, Soper D: A randomized trial of cefazolin administered either prior to skin incision or at cord clamping to prevent post cesarean infectious morbidity. Submitted for the annual meeting of the Society for Maternal Fetal Medicine, San Francisco, CA, 2007

Ayasolla KR, Chang E, Newman R, VanDorsten JP, Singh I: N-acetylcysteine (NAC) reverses alterations in angiogenic factors in the reduced uterine perfusion pressure model (RUPP) of preeclampsia.. Federation of American Societies for Experimental Biology, Washington, DC, 2007 (submitted).

Sibai, B, Romero R, Klebanoff MA, Rice, MM, Caritis S, Hauth J, Lindeheimer MD, VanDorsten P, Landon, M, Miodovnik M, Paul R, Dombrowski M, Meis P, Thurnau G, for the NICHD MFM Units Network, Am J Obstet Gynecol (submitted for publication)

"Breech Presentation: What are the Choices?", 18th Annual Spring Symposium, Charleston, South Carolina, April 15, 1987

"Toxemia in Pregnancy", College of Pharmacy Lecture Series, Medical University of South Carolina, Charleston, South Carolina, April 7, 1987

Symposium panelist on "Ways to Reduce the Cesarean Delivery Rate", American College of Obstetricians and Gynecologists meeting, Las Vegas, Nevada, April 28, 1987

"Cervical Cerclage", "Urinary Tract Infections in Pregnancy", 3rd Annual CME Course Primary Care of the Female Patient, Virginia Beach, Virginia, August 16, 1987

"Incompetent Cervix - Fact or Fiction?", 10th Annual Perinatal Conference, Current Perinatal Issues", Richmond, Virginia, September 18, 1987

"Incompetent Cervix - Fact or Fiction?" 39th Annual Meeting of the North American Obstetrical and Gynecological Society, Martha's Vineyard Island, Massachusetts, September 20-23, 1987

"Cesarean Section: Past, Present, Future", "Pyelonephritis in Pregnancy", Perinatal Region VI Workshop, Richmond, Virginia, October 29, 1987.

Participant in "Stump the Professors" District IV ACOG Annual Meeting, Atlanta, Georgia, October 30-November 3, 1987.

"Cervical Cerclage: Indications and Technique", "Management of Breech Presentation", CME Course in Advances in Obstetrics and Gynecology, Richmond, Virginia, November 12-14, 1987.

"Prenatal Evaluation for High Risk Pregnancy", MCV All Star Advances in Medical Care, Richmond, Virginia, December 4, 1987.

"Incompetent Cervix: Fact or Fiction?", "Modern Management of the Breech", "Preconceptual Management", 1988 OB/GYN Winter Symposium for the University of Oklahoma, Aspen, Colorado, January 30 - February 4, 1988.

"Prenatal Diagnosis: What's New?" Educators Update, St. Mary's Hospital, Richmond, Virginia, February 15, 1988.

"Advances in Fetal Surveillance: Part I" Selected Topics in Perinatal Health Care, John Randolph Hospital, Hopewell, Virginia, March 24, 1988.

"Systemic Lupus Erythematosus" OB/GYN Critical Care Course, Nursing Department, Medical College of Virginia, Richmond, Virginia, March 30, 1988.

"Modern Management of Breech Presentation", Dallas-Fort Worth OB/GYN Society, Dallas-Fort Worth, Texas, April 12, 1988.

"External Cephalic Version: Seven Years Hence", University of Texas Health Science Center, Dallas, Texas, April 13, 1988.

"Prenatal Evaluation", Roanoke Perinatal Society, Roanoke, Virginia, April 19, 1988.

"External Cephalic Version: Seven Years Hence", Grand Rounds Presentation, Mary Immaculate Hospital, Newport News, Virginia, April 27, 1988.

"Advances in Fetal Surveillance: Part I" Selected Topics in Perinatal Health Care, Rappahannock General Hospital, Kilmarnock, Virginia, May 18, 1988

"Incompetent Cervix: Fact or Fiction" 36th Annual Clinical Meeting of the American College of OB/GYN, Boston, Massachusetts, May 3, 1988.

"Cesarean Section" Selected Topics in Perinatal Health Care, Southside Community Hospital, Farmville, Virginia, July 14, 1988.

"Preconceptual Counseling", "External Version of the Breech", 4th Annual Primary Care of the Female Patient, Virginia Beach, Virginia, August 19-21, 1988

"Preconceptual Counseling", 11th Annual Perinatal Conference, Richmond, Virginia, September 23, 1988.

"External Cephalic Version: Seven Years Hence", 40th Annual Meeting of the North American OB/GYN Society, Williamsburg, Virginia, October 17-19, 1988.

"External Cephalic Version: Seven Years Hence", OB/GYN Grand Rounds Presentation, University of South Florida, Tampa, Florida, November 4, 1988.

"The Incompetent Cervix: Fact or Fiction", "Urinary Tract Infections in Pregnancy", "Modern Management of the Breech Presentation", "External Cephalic Version and Its Role in Modern Obstetrics" Fifth Annual Conference on Perinatal Care, Little Rock, Arkansas, November 17-19, 1988.

"Biophysical Evaluation of the Fetus", CME Course Advances in Obstetrics and Gynecology. Richmond, Virginia, December 1-3, 1988.

"Pregnancy in Women Over 35" Television Broadcast for MCV/VCU Health Matters. Richmond, Virginia, December 15, 1988.

"Barriers to Prenatal Care in a Multi-Ethnic Urban Society" by Scupholme A, Robertson EG, Kamons S: Discussant: J. Peter VanDorsten. South Atlantic Association of Obstetricians and Gynecologists. Hot Springs, Virginia, January 1989.

"Breech Version: A Proposed Scoring System for Prediction of Procedure Success", "Perinatal Outcome with Unexplained Elevated Maternal Serum Alpha Fetoprotein", "Relationship of Group B Streptococcal Vaginal-Rectal Colonization to Bladder Colonization", Poster Presentations, 9th Annual Meeting of Society of Perinatal Obstetricians, New Orleans, Louisiana, January 31-February 4, 1989.

"Premature Rupture of Membranes, Cervical Exam", "Case Studies and Panel Discussion", Eastern Region Conference on Preterm Birth Prevention. Virginia Beach, Virginia, February 13, 1989.

"What if a Patient Decides to Terminate Her Pregnancy Because of a Genetic Abnormality?" Prenatal Testing at the Medical College of Virginia, Richmond, March 17, 1989.

"Advances in Intrapartum Fetal Surveillance". Scientific Session of the MCV Alumni Association. Richmond, Virginia, March 31, 1989.

"Obstetrical Emergencies". Perinatal Outreach Education Seminar, Greenville Memorial Hospital, Emporia, Virginia, April 19, 1989.

"Standards in Prenatal Care", Richmond OB/GYN Society, Richmond, Virginia, April 27, 1989.

"Urinary Tract Infections in Pregnancy", "Incompetent Cervix", "Breech Presentation", "Preconceptual Counseling", PROJECT HOPE Postgraduate Course on Advances in Fetal and Maternal Medicine Krakow Poland, May 13-18, 1989.

"Dysfunctional Labor". Summer Institute in Perinatal Nursing, Medical College of Virginia, June 28, 1989.

"Standards of Prenatal Care: One Obstetrician's Opinion" 12th Annual Perinatal Conference, Richmond, Virginia, September 29, 1989.

"What is the Current Role for External Cephalic Version?" Visiting Professor Northwestern University, Chicago, Illinois, October 6, 1989.

"Vaginal Delivery after Cesarean Section" Perinatal Outreach Education Seminar, South Hill, Virginia, October 12, 1989.

"GBS Genitourinary Relationships" MCV OB/GYN Research Seminar. February 10, 1990.

"Dysfunctional Labor" Summer Institute in Perinatal Nursing, Medical College of Virginia, June 25, 1990.

"Hypertension in Women" Women's Health Advisory Council. Richmond, Virginia, July 11, 1990.

Preconceptional Health Seminar sponsored by the March of Dimes, Keynote Presentation, September 19, 1990.

"Prenatal Genetic Screening in the Office" 13th Annual Perinatal Conference, Richmond, Virginia, September 28, 1990.

"Genetic Counseling - What is Required in Private Practice?" Southern Clinical Congress of Obstetrics and Gynecology, Hilton Head Island, South Carolina, October 3-7, 1990.

"Clinical Manifestations and Importance of Pregnancy Induced Hypertension". Advances in Obstetrics and Gynecology Post Graduate Course. Richmond, Virginia, November 29, 1990.

"External Cephalic Version Update" Visiting Professor and Grand Rounds speaker, Cornell University, December 14, 1990.

Abstract Presentation, "The Association of Evidence of Recent Cocaine Use with Complications of Pregnancy" Christmas JT, Peng TC, Dinsmoor MJ, Dawson KS, Keohane NS, VanDorsten JP. and "Unexplained Elevated Maternal Serum Alpha Fetoprotein; Does Fetomaternal Bleeding Affect Prognosis? Christmas JT, Redwine FO, Hays PM, Bodurtha JM, Dinsmoor MJ, Peng TC, VanDorsten JP. Society of Perinatal Obstetricians, January 28 - February 1, 1991.

"Genetic Counseling in Private Practice", "Urinary Tract Infection During Pregnancy", "Incompetent Cervix: Modern Management", Thirteenth Annual Seminar on Perinatal Medicine, Lake Buena Vista, Florida, March 7-10, 1991.

"The Physician and Nurse Role in Perinatal Loss" Perinatal Loss: The Care Provider's Role. Richmond, Virginia, May 1, 1991.

Course Leader for 060 Postgraduate Course "The Art of Intrapartum Care", ACOG 39th Annual Clinical Meeting, New Orleans, May 7-10, 1991.

Luncheon Conference "Breech Presentation - Still a Dilemma", ACOG 39th Annual Clinical Meeting, New Orleans, May 7-10, 1991.

"Selective Aggressive Management of the Fetus Exposed to Meconium-Stained Amniotic Fluid" Peng, T, Gutcher G, VanDorsten, JP, et al. Oral Presentation at ACOG Annual Clinical Meeting, New Orleans, May 7-10, 1991.

"Obstetrics: How the 80s Affects the 90s" First Lawrence L. Hester Jr. Lectureship, Medical University of South Carolina, Charleston, May 16, 1991.

"Breech Presentation" and "Postdatism" Lifetime Television Production, July 1991.

"Clinical Use of the Equate (EQ) Rapid Group B Streptococcus (GBS) Detection System in High Risk Pregnancies" Dinsmoor MJ, Altaie S, Keohane N, Dalton HP, Peng TCC, Christmas JT, VanDorsten JP. Presented at the Infectious Disease Society for Ob/Gyn, Bermuda, August 2-4, 1991.

"Advanced Maternal Age and Pregnancy: Is there a Problem?" 14th Annual Perinatal Conference, Richmond, VA, September 20, 1991.

"Validation of the New Forceps Classification" Presented at the 43rd Annual North American Ob/Gyn Society Meeting. Topnotch at Stowe, September 22-25, 1991.

"Current Perspective on External Version" and "Diagnosis and Management of Urinary Tract Infection" Presentations Sponsored by New York Medical College and the Martin L. Stone OB/GYN Society 31st Annual Symposium. New York, NY, October 17-18, 1991.

"In the era of subspecialization what are the practice criteria for the non-subspecialist?" American Board of Obstetrics and Gynecology, Inc. Conference on Impact of Subspecialization on Residency Training and Practice of Ob/Gyn. Chicago, IL, October 25-26, 1991.

"Controversial Problems in Obstetrical Management" A Post Graduate Course, ACOG District IV Scientific Meeting, Charleston, SC, November 2-5, 1991.

"An Integrated Hospital Information System Based Obstetrical Medical Record and Database" Peng Thomas, VanDorsten JP, Dilzer Patti, Perry Cynthia, Ozcan Gulperi, Adams Cathy, Dunn LJ. Call for Papers Winner. The International Conference of Medical Information Systems Physician's Association, Inc. Washington DC, November 14-17, 1991.

"An Integrated Hospital Information System Based Obstetrical Medical Record and Database" Peng Thomas, VanDorsten JP, Dilzer Patti, Perry Cynthia, Ozcan Gulperi, Adams Cathy, Dunn LJ: Presented at the 15th Annual Symposium on Computer Applications in Medical Care, Washington DC, November 17-20, 1991.

"Fetal Monitoring Workshop" Presented by Kennedy C, VanDorsten JP. Medical College of Virginia, June 11, 1992.

"VBAC: Is it Working?" 15th Annual Perinatal Conference. Medical College of Virginia, Richmond, Virginia, September 11, 1992.

"Update on VBAC", 44th Annual North American OB/GYN Society Meeting. Washington, DC, October 24-27, 1992.

"Incompetent Cervix C Role of Cerclage", 13th annual meeting of the Society of Perinatal Obstetricians, San Francisco, California, February 8-13, 1993.

"The Breech Presentation: Management Options", 4th Annual High Risk Obstetrics and Gynecology: Current Medical Issues and Legal Dilemmas, Snowbird, Utah, February 27-March 6, 1993.

"Blunt and Sharp Trauma in Pregnancy", 4th Annual High Risk Obstetrics and Gynecology: Current Medical Issues and Legal Dilemmas, Snowbird, Utah, February 27-March 6, 1993.

"Urinary Tract Infections in Pregnancy", 4th Annual High Risk Obstetrics and Gynecology: Current Medical Issues and Legal Dilemmas, Snowbird, Utah, February 27-March 6, 1993.

"The Appropriate Management of Trauma in Pregnancy", 24th Annual Ob/Gyn Spring Symposium: Azaleas, Dogwoods and obstetrical Controversies, Charleston, S.C., March 28-31, 1993

"Preterm Labor" panelist, North Carolina and Virginia Obstetrical and Gynecological Society annual meeting, Grove Park Inn, Asheville, NC, April 23-25, 1993

"Breech Presentation", visiting Professor, Tufts University, Boston, MA, May 24, 1993

"The Incompetent Cervix: The Role of Cerclage", invited guest, 47th annual meeting of the south Carolina Obstetrical and Gynecological Society, Hilton Head, S.C., September 23-26, 1993

"Management of Trauma in Pregnancy", ACOG District IV Annual Meeting, Atlanta, Georgia, October 30 - November 2, 1993.

"Breech Presentation: Still a Dilemma", ACOG District IV Annual Meeting, Atlanta, Georgia, October 30 - November 2, 1993.

"Dilemmas in the Management of the Patient with an Intrauterine Growth Retarded Fetus" and "Antenatal Testing", Second Annual Perinatal - Neonatal Symposium, Lexington, Kentucky, November 19-20, 1993

"Amnioinfusion and Management of Meconium", Region IV, 8th Annual Perinatal Seminar, Charleston, S.C., January 20, 1994

"Are We Stuck with 25% C.S. Rate", "Don't Throw Away the Forceps Yet", "What to Do with Meconium", 5th Annual High Risk Obstetrics and Gynecology, Breckenridge, Colorado, March 5-12, 1994

"The Cesarean Delivery Rate: Is It Too High and Can It Be Safely Reduced?", "Breeches and Twins: Intrapartum Management", "Amnioinfusion and Management of Meconium", and "Role of Operative Vaginal Delivery in Modern Obstetrics", ACOG Postgraduate Course *Fetal Monitoring and the Antepartum and Intrapartum Management of Labor*, Snowmass, Colorado, March 24-27, 1994.

"What to Do About Meconium", Continental Gynecology Society, Charleston, South Carolina, April 22, 1994.

"Changing Trends in the Management of Red Cell Alloimmunization in Pregnancy", Health Communications Network teleconference discussant, October 5, 1994.

"The Cesarean Delivery Rate: Is It Too High and Can It Be Safely Reduced?", "Amnioinfusion and Meconium Management", and "Cerclage and the Incompetent Cervix", Mississippi Perinatal Postgraduate Course, November 10-11, 1994, Jackson Mississippi

"Fetal Growth Restriction - What to Do", "Management of Cervical Incompetence", "Operative Vaginal Delivery", "Cesarean Rate: How to Safely Reduce it", 6th annual High Risk Obstetrics and Gynecology: Medical Issues of the 90's", Banff Springs Ski Resort, Banff, Canada, February 25 - March 4, 1995

"Management of Trauma in Pregnancy", Georgetown Hospital, Georgetown, SC, March 7, 1995

"Intrauterine Growth Retardation", "The Rise and Fall of the Cesarean Section Rate", Perinatal Update 1995, *A Celebration of New Beginnings*, Savannah, Georgia, March 29 - 31, 1995

"Cesarean Delivery: Can the Rate be Safely Reduced?", "The Modern Management of the Incompetent Cervix", "Intrapartum Heart Rate Monitoring", "Intrauterine Growth Retardation", Maternal and Fetal Health Symposium, Alaska Regional Hospital, Anchorage, Alaska, September 21-23, 1995

"Incompetent Cervix: Fact or Fiction", "Operative Vaginal Delivery: Don't Put Away the Forceps Yet", "Amnioinfusion and What to do With Meconium", Twelfth Annual Controversies in Ob/Gyn and All That Jazz, Baptist Medical Center, Jacksonville, Florida, October 12-13 1995.

"Gestational Sickle Cell Crisis and Disease Management", Medical-Surgical Complications of Pregnancy postgraduate course, Society of Perinatal Obstetricians, Kamuela, Hawaii, February 4-10, 1996

"Intrauterine Growth Retardation: What is the Appropriate Surveillance and Management" , *Azaleas, Dogwoods and Obstetrical Controversies* , Charleston, SC, March 30-April 3, 1996

"Trauma In Pregnancy", Surgical Grand Rounds, Department of Surgery, Medical University of South Carolina, August 27, 1996.

"Whither Forceps", North American Obstetrical and Gynecological Society, Charleston, S.C., October 4-7, 1996

"Amnioinfusion and Management of Meconium", "Current Status of Cervical Incompetence: Diagnosis and Treatment" and "Whither Forceps" presented at the Southern Clinical Congress of Obstetrics and Gynecology, The Greenbriar, October 16-20, 1996.

"Where Have All the Forceps Gone?", "Breeches and Twins", "Current Status of Cervical Incompetence" presented at the 4th National Conference on Obstetrics and Gynecology: Issues in Women's Health in the 90's. St. Thomas, U.S. Virgin Islands, November 20-23, 1996

"Current Options for Breech Presentation", "Whither Forceps", Visiting professor, Medical College of Georgia, Augusta, Georgia, January 8-9, 1997

"The Incompetent Cervix: Making the Diagnosis, Managing the Problem", "Trauma in Pregnancy: Patient Evaluation and Management", and "Preterm Labor: New Methods of Prediction, Role of IUAM, Prevention", presented at Perinatal Medicine conference, Kaanapali Beach, Maui, Hawaii, February 15-21, 1997

"What is the Evidence for Use of Forceps" ; Visiting Professor, Brown University Women and Infants Hospital, Providence, Rhode Island, April 2-3, 1997

"Incompetent Cervix", "Multiple Gestation: Management Consideration", "Breech: External Cephalic Version or Cesarean Delivery?", "Operative Obstetrics: A Lost Art?"; Controversies in Obstetrics, postgraduate course sponsored by ACOG, Chicago, IL, June 26-28, 1997

"New Methods to Predict Preterm Birth", "Operative Vaginal Delivery". Resident Education Day, Center for Women, Greenville Hospital System, Greenville, SC, October 10, 1997

"New Method of Preterm Birth Prediction", "What To Do With Breeches", 1997 Advances in Obstetrics and Gynecology Conference, Medical College of Virginia, Richmond, Virginia, October 16-18, 1997

"Operative Vaginal Delivery" and "Anomaly Detection by Second Trimester Ultrasound"; Visiting Professor, Department of Obstetrics and Gynecology, University of Massachusetts Medical Center, April 22, 1998

“Diagnosis and Management of Cervical Incompetence” (Clinical Seminars) and AA Comprehensive Approach to Laparoscopic Surgery in Pregnancy” (ACOG Film Festival), 46th annual clinical meeting of the American College of Obstetricians and Gynecologists., May 9-13, 1998, New Orleans, Louisiana

“Routine Screening for Fetal Anomalies”, 33rd Annual Meeting The Thegos Society, Kiawah Island, SC, May 21-24, 1998

“Second Trimester Anomaly Screening: Is it Worth It?”, “Operative Vaginal Delivery”, Update in Obstetrics and Gynecology, University of Texas - Houston Medical School, Houston, TX, June 26, 1998

“Detection of Fetal Anomalies Utilizing the Second trimester Scan”, “Current Status of the Incompetent Cervix”, Visiting Professor, Department of Obstetrics and Gynecology, Greenville Hospital System, Greenville, SC, October 15-16, 1998

“What’s New in Cervical Incompetence”, “Current Stage of Operative Obstetrics” postgraduate course, District IV Annual Meeting of the American College of Obstetricians and Gynecologists, The Greenbriar, October 30 - November 2, 1998

“Scheduled and Emergent Cervical Cerclage”, “Utility of Amnioinfusion”, “Planning Vaginal Breech and Twin Delivery”, “Shoulder Dystocia” presented at the ACOG postgraduate course “Intrapartum Controversies”, New York, NY, December 3-5, 1998

“Operative Vaginal Delivery: Does it Still Have a Place?”, “Cervical Cerclage: Role In Modern Obstetrics”, “Trial of Labor After Cesarean Delivery and Catastrophic Rupture: Have We Gone Too Far?”, “Ultrasound: Should Everyone Have One?” presented at the 5th Annual Winter Ski Conference: Obstetrics 2000 -- Pearls for the Practitioner, Breckenridge, Colorado, February 20-27, 1999

“Antepartum and Intrapartum Fetal Monitoring: MST, CST, BPP, Interpretation of Fetal Heart Rate Tracing and New NICHD Terminology, The Role of Amnioinfusion, Cesarean Delivery Rate: Is It Too High and Can It Be Reduced? Presented at the ACOG Antepartum and Intrapartum Assessment postgraduate course, West Palm Beach, Florida, March 11-13, 1999.

“New Thoughts on the Diagnosis and Treatment of Cervical Incompetence” presented at the 30th Annual Ob/Gyn Spring Symposium: Azaleas, Dogwoods and Obstetrical Controversies, April 5-7, 1999, Charleston, SC

“Anomaly Detection During Second Trimester Ultrasound” and “Operative Vaginal Delivery” presented at grand rounds, University of Massachusetts Medical Center, Worcester, MA, April 28, 1999.

“Anomaly Detection During Second Trimester Ultrasound” and “Operative Vaginal Delivery” presented at the third annual perinatal symposium: Physicians and Nurses in Partnership, Waukesha Memorial Hospital, Waukesha, Wisconsin, April 30, 1999

“New Thoughts About Incompetent Cervix” presented at the 47th annual clinical meeting of the American College of Obstetricians and Gynecologists, Philadelphia, PA, May 15-19, 1999.

“Current Practice of Antepartum Fetal Testing” presented at the 34th Annual Meeting of the Thegos Society, Chateau Elan, Georgia, May 28-31, 1999

“What’s New in Cervical Incompetency” presented at the American College of Obstetricians and Gynecologists District VII meeting, Charleston, S.C., October 4-6, 1999

“The Utility of Amnioinfusion”, “Update on Breech Presentation and the Role of External Cephalic Version”. Visiting professor, Greenville Hospital System, October 15, 1999.

“An Update on External Cephalic Version”, Visiting professor, University of South Carolina School of Medicine, April, 21, 2000.

“New Thoughts on Incompetent Cervix”, “Operative Vaginal Delivery”, Antepartum Fetal Heart Rate Testing”, “Breech Presentation and Role of External Cephalic Version: Update”, 25th Annual Perinatal Conference, Rogue Valley Medical Center, Medford, Oregon, July 26-30, 2000

“Has the Breech Dilemma Been Resolved”, 2001 ACOG District IV Annual District Meeting, Myrtle Beach, SC , October 26-29, 2001

“Has the Breech Dilemma Been Resolved”, 33<sup>rd</sup> annual Ob/Gyn Spring Symposium: Azaleas, Dogwoods and Obstetrical Controversies, Charleston, SC March 25-27, 2002

“Electronic Fetal Heart Monitoring: The History and the Evidence”, “Has the Breech Dilemma Been Resolved”, 43<sup>rd</sup> T.F. Bunkley Lectureship, 15 Annual Resident Research Day, Scott and White Hospital, April 11-13, 2002, Temple Texas

“Management of the Breech Presentation at Term – Rediscovering External Cephalic Version”, 36<sup>th</sup> annual Ob/Gyn Spring Symposium: Azaleas, Dogwoods and Conditions Complicating Pregnancy, Charleston, SC Monday 4-6, 2005

“Breech Presentation: What Now?” and “Evidenced-based Use of Cerclage”, Paul B. Underwood, Jr. lecture, University of Virginia, Charlottesville, Virginia, September 21, 2005.

External Cephalic Version: 25 years later, Ohio State University Grand Rounds, Columbus, OH, October 18, 2007

”Magnesium Sulfate Tocolysis: An Outdated Drug?”. 39<sup>th</sup> annual Ob/Gyn Spring Symposium. Azaleas, Dogwoods and Obstetrical Controversies. Charleston, SC, March 31-April 2, 2008

“Evidenced Based Use of Cervical Cerclage” and “MgSo4: Is it Time for a Different Drug?” Georgia Obstetrical and Gynecological Society annual meeting, Sea Island, GA, August 21-24, 2008.
