- (91) Current Practice Patterns for Pediatric IOL Implantation: Bluestein EC, Wilson ME, Wang XH, Apple DJ. Presented at the Annual Symposium on Cataract, IOL and Refractive Surgery sponsored by American Society for Cataract and Refractive Surgery (ASCRS), Boston, MA, April 9-13, 1994.
- (92) Cataract Surgery and IOL Implantation Techniques in the Pediatric Age Group: Wang XH, Wilson ME, Bluestein EC. Presented at the Annual Symposium on Cataract, IOL and Refractive Surgery sponsored by American Society for Cataract and Refractive Surgery (ASCRS), Boston, MA, April 9-13, 1994.
- (93) Intraocular Lenses in Children - An Overview and Update: Wilson ME. Presented as a Featured Speaker at the Louisiana/Mississippi Society of Ophthalmology and Otolaryngology Annual Meeting, Biloxi, MS, April 22-24, 1994.
- (94) Understanding Dissociated Strabismus: Wilson ME. Presented as a Featured Speaker at the Louisiana/Mississippi Society of Ophthalmology and Otolaryngology Annual Meeting, Biloxi, MS, April 22-24, 1994.

- (95) Practical Vision Screening in the Pediatric Office: Wilson ME., "Current Concepts in Pediatric Eye and Skin Care", Hilton Head Island, SC, May 26, 1994.
- (96) Dissociated Horizontal Deviation & Accommodative Esotropia: Treatment Options when an eso and an exodeviation coexist: Wilson ME, Saunders RA, Berland JE. Presented at the International Strabismological Association/American Association for Pediatric Ophthalmology and Strabismus (ISA/AAPOS) Joint Meeting, Vancouver, British Columbia, Canada, June 18-22, 1994.
- (97) The Capsular Bag Size and Zonular Free Zone as a Function of Development Age of the Pediatric Patient: Significance for Intraocular Lens Implantation: Bluestein EC, Wilson ME, Wang XH. Presented at the International Strabismological Association/American Association for Pediatric Ophthalmology and Strabismus (ISA/AAPOS) Joint Meeting, Vancouver, British Columbia, Canada, June 18-22, 1994.
- (98) Changes in Corneal Topography after Strabismus Surgery in Children: Wang XH, Wilson ME, Bluestein EC. Presented at the International Strabismological Association/American Association for Pediatric Ophthalmology and Strabismus (ISA/AAPOS) Joint Meeting, Vancouver, British Columbia, Canada, June 18-22, 1994.
- (99) Can Non-ophthalmologists Screen for Retinopathy of Prematurity? Saunders RA, Bluestein EC, Berland JE, Wilson ME: Presented at the International Strabismological Association/American Association for Pediatric Ophthalmology and Strabismus (ISA/AAPOS) Joint Meeting, Vancouver, British Columbia, Canada, June 18-22, 1994.
- (100) Results of 8-9 mm Bilateral Lateral Rectus Muscle Recessions for Exotropia: Berland JE, Wilson ME, Saunders RA: Presented at the International Strabismological Association/American Association for Pediatric Ophthalmology and Strabismus (ISA/AAPOS) Joint Meeting, Vancouver, British Columbia, Canada, June 18-22, 1994.
- (101) Perkins Tonometry Using Woods Lamp Enhancement: Berland JE, Powers TP, Saunders RA, Wilson ME, Stewart WC: Poster presented at the International Strabismological Association/American Association for Pediatric Ophthalmology and Strabismus (ISA/AAPOS) Joint Meeting, Vancouver, British Columbia, Canada, June 18-22, 1994.
- (102) Periocular Infection After Strabismus Surgery: Kivlin JD, Wilson ME. Poster presented at the International Strabismological Association/American Association for Pediatric Ophthalmology and Strabismus (ISA/AAPOS) Joint Meeting, Vancouver, British Columbia, Canada, June 18-22, 1994.
- (103) Lectures given - Project Orbis Mission, Yangon, (Rangoon), Myanmar (Burma), October 6-16, 1994:
 - Amblyopia
 - Childhood cataracts
 - Esotropia
 - Exotropia

Retinoblastoma
Evaluation and management of childhood ptosis
Use of IOLs in children
Surgical techniques in strabismus
Surgical techniques in cataracts

- (104) IOL Usage in Children: Bilateral Cataracts; Age and Indications: Wilson ME. Presented as an Invited Speaker at a Symposium sponsored by American Association for Pediatric Ophthalmology and Strabismus (AAPOS) at the Annual Meeting of the American Academy of Ophthalmology, San Francisco, CA, October 30-November 3, 1994.
- (105) Childhood Esotropia - A Practical Overview: Wilson ME. An Instructional Course given at the Annual American Academy of Ophthalmology Meeting in San Francisco, CA, October 30-November 3, 1994.
- (106) Strabismus in the First Year of Life: Wilson ME, Sinatra RB, Hoxie JP: Presented at the Annual Meeting of the American Association of Certified Orthoptists in conjunction with the American Academy of Ophthalmology Annual Meeting in San Francisco, CA, October 30-November 3, 1994.
- (107) Pediatric Ophthalmology and Strabismus Decision Making - An Instructional Course: Wilson ME, Del Monte MA, Mets MB, Wright KW, Greenwald MJ: Co-sponsored by the American Academy of Ophthalmology (AAO) Basic and Clinical Science Course presented at the American Academy of Ophthalmology (AAO) Annual Meeting in San Francisco, CA, October 30-November 3, 1994.
- (108) Ophthalmology Curriculum Reform: Wilson ME. Presented as an invited speaker at the Annual Meeting of the Association of University Professors in Ophthalmology, New Orleans, LA, February 16-19, 1995.
- (109) Pediatric Intraocular Lens Implantation: Current Trends and Future Directions: Wilson ME. Presented as an invited speaker at the Annual Meeting of the South Carolina/North Carolina Societies of Ophthalmology, Hilton Head, SC, March 23-25, 1995.
- (110) Evaluation and Management of Exotropia: Wilson ME. Presented as an invited speaker at the Annual Meeting of the South Carolina /North Carolina Societies of Ophthalmology, Hilton Head, SC, March 23-25, 1995.
- (111) Mechanized Anterior Capsulectomy as an Alternative to Manual Capsulorhexis in Children Undergoing Intraocular Lens Implantation: Wilson ME, Saunders RA, Roberts EL, Apple DJ. Presented at the 21st Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Orlando, FL, April 5-9, 1995.

- (112) Surgery for Vertical Head Positions in Null Point Nystagmus: Roberts EL, Saunders RA, Wilson ME. Presented at the 21st Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Orlando, FL, April 5-9, 1995.
- (113) Difficult Problems In Strabismus Workshop: Rosenbaum AL, Baker JD, Helveston EM, Mets MB, Wilson ME, Wright KW. Presented at the 21st Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Orlando, FL, April 5-9, 1995.
- (114) Pediatric Intraocular Lens Implantation - Workshop (2 sessions): Crouch ER, Wilson ME, Baker JD, Biglan AW, Buckley EG, Pressman SH. Presented at the 21st Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Orlando, FL, April 5-9, 1995.
- (115) Normal Retinal Examinations in Infants After Extracorporeal Membrane Oxygenation: Varn MM, Donohue ML, Saunders RA, Wilson ME. Presented at the 21st Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Orlando, FL, April 5-9, 1995.
- (116) Slide Exchange (Coordinator): Wilson ME. Presented at the 21st Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Orlando, FL, April 5-9, 1995.
- (117) Current Trends in the Use of Intraocular Lenses in Children: Bluestein EC, Wilson ME, Saunders RA, Apple DJ. Presented as a poster at the 21st Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Orlando, FL, April 5-9, 1995.
- (118) Pediatric Intraocular Lenses - Guest moderator for Journal Club, Children's Hospital National Medical Center, Washington, D.C., April 25, 1995.
- (119) Dissociated Strabismus: Wilson ME. Invited lecture at Grand Rounds, Children's Hospital National Medical Center, Washington, D.C., April 26, 1995.
- (120) Pediatric Intraocular Lenses-panel discussion: Wilson ME, Gimbal H, Carlson A, Apple DJ. Cataract and Refractive surgery. Annual clinical update sponsored by Storm Eye Institute, Charleston, S.C., June 1-3, 1995.
- (121) Pediatric Ophthalmology Pearls for Family Medicine. Invited lecture as part of intensive review of Family Medicine, Wild Dunes Conference Center, Isle of Palms, S.C., June 15, 1995.
- (122) Superior Rectus Muscle Recession combined with Inferior Oblique Anterior Transposition for chin down head posture in Null Point Nystagmus: Wilson ME. Presented at the annual meeting of the Costenbader Society, Newport, R.I., July 13-15, 1995.

- (123) Pediatric Intraocular Lenses: Current Status and Future Directions: Wilson ME. Sally Letson Foundation Conference, University of Ottawa, Ottawa Canada. September 15-16, 1995.
- (124) Strabismus in the First Year of Life: Wilson ME. Sally Letson Foundation Conference, University of Ottawa, Ottawa Canada. September 15-16, 1995.
- (125) Congenital Ptosis: Evaluation and Treatment: Wilson ME. Sally Letson Foundation Conference, University of Ottawa, Ottawa Canada. September 15-16, 1995.
- (126) A Practical Approach to Exotropia: Wilson ME. Sally Letson Foundation Conference, University of Ottawa, Ottawa Canada. September 15-16, 1995.
- (127) Pediatric Intraocular Lenses: Current Status and Future Directions: Wilson ME. Presented as the featured speaker, Atlanta Ophthalmological Society, Atlanta Georgia, October 19, 1995.
- (128) A Pragmatic Approach to the Pediatric Low Vision Patient: Wilson ME. Presented as an invited speaker for the Joint Commission on Allied Health Personnel in Ophthalmology (JCAHPO) plenary session, Annual Continuing Education meeting held in conjunction with the annual American Academy of Ophthalmology (AAO) meeting, Atlanta, Georgia October 28, 1995.
- (129) Tying the Knot: Surgical Choices in Esotropia. When? How Many? How Much?: Wilson ME. Presented as an invited speaker at a symposium sponsored by the American Orthoptic Council (Sunday night symposium) at the annual meeting of the American Academy of Ophthalmology, Atlanta, Georgia, October 29-November 2, 1995.
- (130) Pediatric Cataracts: What to Do and When: Wilson ME. Presented as an invited speaker at a symposium sponsored by the American Society of Cataract and Refractive Surgery (ASCRS) at the annual meeting of the American Academy of Ophthalmology, Atlanta, Georgia, October 29-November 2, 1995.
- (131) Challenges in Pediatric IOL Surgery: Wilson ME, Greenwald MJ, Gimble HV, Basti S. Presented as a two hour instructional course at the annual meeting of the American Academy of Ophthalmology, Atlanta, Georgia, October 29-November 2, 1995.
- (132) Childhood Esotropia: A Practical Overview: Wilson ME. Presented as a one hour instructional course at the annual meeting of the American Academy of Ophthalmology, Atlanta, Georgia, October 29-November 2, 1995.
- (133) Pediatric Ophthalmology and Strabismus Decision Making - An Instructional Course: Wilson ME, Del Monte MA, Mets MB, Wright KW, Greenwald MJ. Co-sponsored by the American Academy of Ophthalmology (AAO) Basic and Clinical Science Course presented at the American Academy of Ophthalmology Annual Meeting in Atlanta, Ga., October 29 -November 2, 1995.

- (134) Lectures given - Orbis International, Bangalore, India, February 15-25, 1996:
Pediatric cataracts - overview
Surgical management of pediatric cataracts
Use of IOLs in children
Design, materials and sizing for pediatric IOLs
Evaluation and management of childhood ptosis
Amblyopia
Esotropia
Exotropia
- (135) Slide Exchange workshop: Wilson ME. Presented at the 22nd Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Snowbird, Utah, March 13-17, 1996.
- (136) Pediatric Intraocular Lens Implantation - Workshop: Wilson ME, Crouch ER, Biglan AW, Buckley EG, Pressman SH, Crandall A. Presented at the 22nd Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Snowbird, Utah, March 13-17, 1996.
- (137) Difficult Problems - Non-Strabismus - Workshop: Summers CG, Wilson ME, Simon JW, Mets MB, Hamed LM, Archer SM. Presented at the 22nd Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Snowbird, Utah, March 13-17, 1996.
- (138) Combined Superior Rectus and Inferior Oblique Muscle Weakening for Dissociated Vertical Deviation: Varn MM, Saunders RA, Wilson ME. Presented at the 22nd Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Snowbird, Utah, March 13-17, 1996.
- (139) Predictive Value of Regression and Theoretical IOL Formulas in Pediatric Intraocular Lens Implants: Andrea LK, Wilson ME, and Saunders RA. Presented at the 22nd Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Snowbird, Utah, March 13-17, 1996.
- (140) Update on Implantation of Intraocular Lenses in Children, Part I and Part II: Wilson ME. Presented as featured speaker at Chicago Ophthalmological Society 48th Annual Clinical Conference, May 3 & 4, 1996.
- (141) Current Recommendations for Implanting IOLs in Children: Wilson ME. Presented at the 1996 Comprehensive Update, Francis Marion Hotel, Charleston, SC, May 16 & 19, 1996.
- (142) Pediatric Low Vision: Wilson ME. Presented at Comprehensive Update Program for Technicians in Association with 1996 Comprehensive Update, Francis Marion Hotel, Charleston, SC, May 17, 1996.

- (143) Do Cataracts Cause Axial Myopia in Children?: Wilson ME, Andreo LK, Saunders RA. Presented at the Annual Symposium on Cataract, IOL and Refractive Surgery. American Society of Cataract and Refractive Surgery, Seattle, Washington, June 1-5, 1996.
- (144) Predictive Value of Regression and Theoretical IOL Formulas in Pediatric Intraocular Lens Implants: Andreo LK, Wilson ME, Saunders RA. Presented at the Annual Symposium on Cataract, IOL and Refractive Surgery. American Society of Cataract and Refractive Surgery, Seattle, Washington, June 1-5, 1996.
- (145) Compression Forces for Implanting Various IOL Styles in Very Small Capsular Bags: Bluestein EC, Wilson ME, Solomon KD, Apple DJ. Presented at the Annual Symposium on Cataract, IOL and Refractive Surgery. American Society of Cataract and Refractive Surgery, Seattle, Washington, June 1-5, 1996.
- (146) Moderator for Session 1-H. Cataract/Pediatric Issues: Wilson ME. Annual Symposium on Cataract, IOL and Refractive Surgery. American Society of Cataract and Refractive Surgery, Seattle, Washington, June 1-5, 1996.
- (147) Ophthalmology Update: Wilson ME. Presented at the Annual Intensive Update of Family Medicine, Wild Dunes Conference Center, Isle of Palms, SC, June 20, 1996.
- (148) Bilateral Retroinsertion of the Medial Rectus Muscles for Congenital Esotropia: Wilson ME. Presented as part of a strabismus symposium entitled Surgical Treatment of Congenital Esotropia. Presented as an invited, featured speaker at the 22nd Congreso Mexicano Oftalmologia, Guadalajara, Mexico, August 3-7, 1996. (Also participated in round table discussion during the symposium.)
- (149) Complications of Strabismus Surgery. Round table discussion. Coordinator: Macedo R. Participants: M. Edward Wilson, Arthur Jampolsky, Maria Arroyo, Patricia Diaz, David Romero, Jaime Villasenor. Presented at the 22nd Congreso Mexicano Oftalmologia, Guadalajara, Mexico, August 3-7, 1996.
- (150) Childhood Esotropia: Wilson ME. A one-hour instructional course presented at the 22nd Congreso Mexicano Oftalmologia, Guadalajara, Mexico, August 3-7, 1996.
- (151) Residual Comitant Esotropia: Wilson ME. Residual Pattern Strabismus. Both topics presented as part of a symposium on Residual Strabismus coordinated by Dr. Helia Ortega. Presented at the 22nd Congreso Mexicano Oftalmologia, Guadalajara, Mexico, August 3-7, 1996.
- (152) Indications for Intraocular Lenses in Children Ages 0 to 6 Years: Wilson ME. Intraoperative Management of the Anterior Capsule, Posterior Capsule and Vitreous During Pediatric Cataract Surgery with IOL Implantation: Wilson ME. IOL Selection: What is the Ideal Intraocular Lens for Children?: Wilson ME. Talks presented as part of a symposium on Implantation of Intraocular Lenses in the Pediatric Population

coordinated by Dr. Victor Manuel Villar Calvo. Presented at the 22nd Congreso Mexicano Oftalmologia, Guadalajara, Mexico, August 3-7, 1996.

- (153) Lectures given as Visiting Professor - Yale University School of Medicine, September 19-20, 1996: Brown's Syndrome - Etiology, Evaluation and Treatment. Surgical Choices in Esotropia: When? How Many? How Much? Complications of Strabismus Surgery. Update on the Implantation of IOLs in Children.
- (154) Setting the Stage: Overview of the Accreditation System; Role of the Commission on Accreditation of Allied Health Education Programs (CAAHEP); Role of Committee on Accreditation: Wilson ME. Presented as a portion of the site visitor training/refresher workshop. Chicago Marriott, Sunday, October 27, 1996 8:00 - 11:00 a.m. Sponsored by the Committee on Accreditation of Ophthalmic Medical Personnel (COA-OMP) (M.E. Wilson-President).
- (155) Challenges in Pediatric IOL Surgery. Two-hour instructional course. Greenwald MJ, Wilson ME, Gimble HV, Basti S. Given at the Centennial Meeting of the American Academy of Ophthalmology, Chicago, IL, October 27-31, 1996.
- (156) What is New and Important in Pediatric Ophthalmology and Strabismus for 1996 (joint sponsored instructional course by the American Academy of Ophthalmology and the American Association for Pediatric Ophthalmology and Strabismus (AAO and AAPOS): Wilson ME, Alcorn DM, Engel JM, Spedick MJ, Wagner RS, Crouch ER. Given at the Centennial Meeting of the American Academy of Ophthalmology, Chicago, IL, October 27-31, 1996.
- (157) Assisting in Low Vision: A New Subspecialty Certification: Wilson ME. Presented at the Low Vision Shared Interest Group Noontime Symposium at the Centennial Meeting of the American Academy of Ophthalmology, Chicago, IL, October 27-31, 1996.
- (158) Update on Intraocular Lens Implantation in Children: Wilson ME. An instructional course co-sponsored by the American Association for Certified Orthoptists given at Sheraton Chicago Hotel and Towers, October 28th in conjunction with Centennial American Academy of Ophthalmology, Chicago, IL, October 27-31, 1996.
- (159) Management of the Posterior Capsule During Pediatric Cataract Surgery: Wilson ME. Video tape presentation as part of the 1996 Zeiss MediLive Video Theater course at the Centennial Meeting of the American Academy of Ophthalmology, Chicago, IL, October 27-31, 1996.
- (160) Initial Screening Examinations for Retinopathy of Prematurity: Saunders RA, Lovering A, Wilson ME, Hutchinson AK. Poster presentation. The Centennial Meeting of the American Academy of Ophthalmology, Chicago, IL, October 27-31, 1996.
- (161) Management of the Anterior Capsule - Choices for Pediatric IOL Implantation: Wilson ME. Presented as an invited speaker at conference entitled Phaco, Foldables and

Refractive Results; and Recent Advances in Pediatric Cataract Care. Park City, UT, January 23-25, 1997.

- (162) Timing of Surgical Intervention for Pediatric Cataracts: Wilson ME. Presented as an invited speaker at conference entitled Phaco, Foldables and Refractive Results; and Recent Advances in Pediatric Cataract Care. Park City, UT, January 23-25, 1997.
- (163) Pediatric Cataract Cases - What Am I Doing Differently This Year? Wilson ME. Presented as an invited speaker at conference entitled Phaco, Foldables and Refractive Results and Recent Advances in Pediatric Cataract Care. Park City, UT, January 23-25, 1997.
- (164) The 26th Annual Jean Lacerte Lecture: Intraocular Lens Implantation in Children: Now and in the Future: Wilson ME. Presented at Les Journees Ophtalmologiques de Universite Laval, Quebec City, Canada, January 30-31, 1997.
- (165) Amblyopia Management: Wilson ME. Presented at Les Journees Ophtalmologiques de Universite Laval, Quebec City, Canada, January 30-31, 1997.
- (166) Strabismus in the First Year of Life: Wilson ME. Presented at Les Journees Ophtalmologiques de Universite Laval, Quebec City, Canada, January 30-31, 1997.
- (167) Understanding Dissociative Strabismus: Wilson ME. Presented at Les Journees Ophtalmologiques de Universite Laval, Quebec City, Canada, January 30-31, 1997.
- (168) Evaluation and Management of Intermittent Exotropia: Wilson ME. Presented at Les Journees Ophtalmologiques de Universite Laval, Quebec City, Canada, January 30-31, 1997.
- (169) Tying the knot - Surgical Choices in Esotropia: Wilson ME. Presented at Les Journees Ophtalmologiques de Universite Laval, Quebec City, Canada, January 30-31, 1997.
- (170) Brown's Syndrome - Characteristics, Evaluation and Management: Wilson ME. Presented at Les Journees Ophtalmologiques de Universite Laval, Quebec City, Canada, January 30-31, 1997.
- (171) Foldable Acrylic Intraocular Lenses in Children: Stager DR, Jr., Stager DR, Wilson ME. Presented at the 23rd Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Charleston Place, Charleston, SC, April 2-6, 1997.
- (172) Acquired Cataract After Argon Laser Photocoagulation for Retinopathy of Prematurity: O'Neil JW, Hutchinson AK, Saunders RA, Wilson ME. Presented at the 23rd Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Charleston Place, Charleston, SC, April 2-6, 1997.

- (173) Pediatric Intraocular Lens Implantation - Workshop: Crouch ER, Jr., Cheng KP, Wilson ME, Buckley EG. Presented at the 23rd Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Charleston Place, Charleston, SC, April 2-6, 1997.
- (174) Brown's Syndrome: Etiology, Evaluation and Management: Wilson ME. Presented as Visiting Professor at the Washington University Medical School, St. Louis, MO, April 9, 1997.
- (175) Understanding Dissociated Strabismus: Wilson ME. Presented as Visiting Professor at the Washington University Medical School, St. Louis, MO, April 9, 1997.
- (176) The 2nd Annual Arthur Stickle Lecture: IOL Implantation in Children Now and in the Future: Wilson ME. Presented at the Washington University Medical School, St. Louis, MO, April 9, 1997.
- (177) Pediatric Cataract Session - Panelist: Wilson ME, Aslan BS, Saad M, Worst JGF. At the Annual Symposium on Cataract and Refractive Surgery, American Society of Cataract and Refractive Surgery, Boston, MA, April 26-30, 1997.
- (178) Outcomes and Ocular Growth Rates After IOL Implantation in the First Two Years of Life: Wilson ME. Presented at the Pediatric Cataract Session at the Annual Symposium on Cataract and Refractive Surgery, American Society of Cataract and Refractive Surgery, Boston, MA, April 26-30, 1997.
- (179) Vitrectorhexis As An Alternative to Manual CCC in Pediatric IOL Surgery: Wilson ME. Presented at the Alcon Speakers Forum at the Annual Symposium on Cataract and Refractive Surgery, American Society of Cataract and Refractive Surgery, Boston, MA, April 26-30, 1997.
- (180) Dubins Memorial Lecture: Intraocular Lenses in Children Now and in the Future: Wilson ME. Presented at the 1997 Ophthalmology Update, Albany Medical College, Scotia, NY, May 1-2, 1997.
- (181) Understanding Dissociated Strabismus: Wilson ME. Presented at the 1997 Ophthalmology Update, Albany Medical College, Scotia, NY, May 1-2, 1997.
- (182) Surgical Choices in Esotropia: When, How Much, and How Many? Wilson ME. Presented at the 1997 Ophthalmology Update, Albany Medical College, Scotia, NY, May 1-2, 1997.
- (183) Exotropia: A Practical Overview: Wilson ME. Presented at the 1997 Annual Ophthalmology Update, Albany Medical College, Scotia, NY, May 1-2, 1997.
- (184) Update on the Use of Intraocular Lenses in Children: Wilson ME. Presented to the Allied Health participants at the 1997 Clinical Update sponsored by Storm Eye Institute, Charleston Place, Charleston, SC, April 18-20, 1997.

- (185) Ocular Growth Rates and Outcomes after Intraocular Lens Implantation in the First Two Years of Life: Hutchinson AK, Wilson ME. Presented at the 1997 Clinical Update Conference sponsored by Storm Eye Institute, Charleston Place, Charleston, SC, April 18-20, 1997 (ME Wilson also served as conference co-director, panelist for discussions of cataract surgery and moderator of resident research presentations).
- (186) Scientific Program Chairman and Moderator: Wilson ME. Presented at the annual meeting of the Costenbader Pediatric Ophthalmology Society, Washington, DC, June 5-7, 1997.
- (187) The Use of IOLs in Infancy: Wilson ME. Presented at the annual meeting of the Costenbader Pediatric Ophthalmology Society, Washington, DC, June 5-7, 1997.
- (188) Ophthalmology Update: Wilson ME. Presented at the Annual Intensive Review of Family Medicine, Wild Dunes Conference Center, Isle of Palms, SC, June 19, 1997.
- (189) Update on the Treatment of Cataracts in Children: Wilson ME. Presented as featured speaker to the Charlotte Ophthalmological Society meeting, Charlotte, NC, June 26, 1997.
- (190) Update on Implantation of IOLs for the Correction of Aphakia in Children: Wilson ME. Presented as a featured speaker to the Arkansas Ophthalmological Society and the Oklahoma Academy of Ophthalmology 1997 Annual Meeting, Big Cedar Lodge, Branson, MO, September 12-14, 1997.
- (191) Surgical Treatment for Dissociated Strabismus: Wilson ME. Presented as visiting professor to the McGill International Conference on Pediatric Ophthalmology and Genetics, McGill University, Montreal, Canada, September 18-20, 1997.
- (192) New Ideas About Primary and Secondary Intraocular Lenses in Children: Wilson ME. Presented as visiting professor to the McGill International Conference on Pediatric Ophthalmology and Genetics, McGill University, Montreal, Canada, September 18-20, 1997.
- (193) What Causes Brown's Syndrome?: Wilson ME. Presented as visiting professor to the McGill International Conference on Pediatric Ophthalmology and Genetics, McGill University, Montreal, Canada, September 18-20, 1997.
- (194) Do Cataracts Cause Abnormal Axial Growth in Children?: Wilson ME. Presented as visiting professor to the McGill International Conference on Pediatric Ophthalmology and Genetics, McGill University, Montreal, Canada, September 18-20, 1997.
- (195) Pediatric Cataracts: Soup to Nuts: Wilson ME. Presented as visiting professor at the Pediatric Cataracts and Glaucoma Symposium, University of Illinois Eye and Ear Infirmary, Chicago, IL, October 8, 1997.

- (196) New Horizons in Pediatric Cataract Surgery: Wilson ME. Presented as visiting professor at the Pediatric Cataracts and Glaucoma Symposium, University of Illinois Eye and Ear Infirmary, Chicago, IL, October 8, 1997.
- (197) Understanding Childhood Strabismus: Wilson ME. Presented as visiting professor at the Pediatric Grand Rounds, Columbia Trident Medical Center, N. Charleston, SC, October 16, 1997.
- (198) Update on the Use of Intraocular Lenses in Children: Wilson ME. Presented as a Masters Course for COMTs as part of the Annual Education Program sponsored by the Joint Commission for Allied Personnel in Ophthalmology in conjunction with the Annual American Academy of Ophthalmology Meeting, San Francisco, CA, October 26, 1997.
- (199) Dissociated Strabismus: Wilson ME. Presented as a one-hour instructional course as part of the Annual Education Meeting sponsored by the American Association for Certified Orthoptists held in conjunction with the Annual American Academy of Ophthalmology Meeting, San Francisco, CA, October 27, 1997.
- (200) Challenges in Pediatric IOL Surgery: Wilson ME, Greenwald M, Gimbel H, Basti S. Presented as a two-hour instructional course as part of the Annual Meeting of the American Academy of Ophthalmology, San Francisco, CA, October 27, 1997.
- (201) Dissociated Vertical Deviation: Wilson ME. Moderator for discussion as part of the Annual Round Table Breakfast with the Experts, an educational program held as part of the Annual Meeting of the American Academy of Ophthalmology, San Francisco, CA – two sessions moderated: October 27 and October 28, 1997.
- (202) ATPO “Tech Bowl”: Wilson ME. Served as a judge and as a moderator for round table discussions at the Second Annual “Tech Bowl” sponsored by the Association of Technical Personnel in Ophthalmology held in conjunction with the Annual Meeting of the American Academy of Ophthalmology, San Francisco, CA, October 28, 1997.
- (203) What is New and Important in Pediatric Ophthalmology and Strabismus for 1997: Wilson ME, Crouch E, Engel M, Spedick M, Wagner W, Lambert A. Presented as senior instructor in two-hour instructional course held at the Annual Meeting of the American Academy of Ophthalmology (this instructional course was co-sponsored by the American Association for Pediatric Ophthalmology and Strabismus), San Francisco, CA, October 28, 1997.
- (204) Foldable Acrylic Intraocular Lenses in Children: Stager, Jr. DR, Wilson ME. Poster presented at the Annual Meeting of the American Academy of Ophthalmology, San Francisco, CA, October 26, 1997.
- (205) Cataracts in Kids: A Pediatric Ophthalmologist’s Perspective: Wilson ME. Presented as an invited speaker at conference entitled Phaco, Foldables and Refractive Results. Park City, UT, January 21-25, 1998.

- (206) Surgical Pearls for PHPV (Persistence and Hyperplasia of Primary Vitreous: Wilson ME. Presented as an invited speaker at conference entitled Phaco, Foldables and Refractive Results. Park City, UT, January 21-25, 1998.
- (207) Allied Health Personnel in Academic Departments of Ophthalmology: Wilson ME. Served as symposium moderator at the Association of University Professors of Ophthalmology Annual Meeting, Phoenix, AZ, February 4-8, 1998.
- (208) Pediatric Cataracts: Soup to Nuts: Wilson ME. Presented as guest speaker at the Department of Pediatrics Grand Rounds, Medical University of S.C., February 13, 1998.
- (209) Overview of Dissociated Strabismus: Wilson ME. Presented as Visiting Professor at the W. K. Kellogg Eye Center, University of Michigan, Ann Arbor, MI, March 6-7, 1998.
- (210) A Practical Approach to Exotropia: Wilson ME. Presented as Visiting Professor at the W. K. Kellogg Eye Center, University of Michigan, Ann Arbor, MI, March 6-7, 1998.

- (373) Update on Pediatric Glaucoma. Wilson ME. Presented as an invited lecturer at the Annual Meeting of the Washington Academy of Eye Physicians and Surgeons, Seattle, Washington, March 21, 2003.
- (374) Preferred Practice Patterns for Pediatric Cataract Surgery. Wilson ME. Presented as an invited lecturer at the Annual Meeting of the Washington Academy of Eye Physicians and Surgeons, Seattle, Washington, March 21, 2003.
- (375) Interocular Difference in Axial Length in Pediatric Cataracts. Lal G, Trivedi RH, Wilson ME, Peterseim MM, Scarlett L. Presented at the 29th Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Waikoloa, Hawaii, March 23-27, 2003.
- (376) Opacification of the Visual Axis after Cataract Surgery and Single Acrylic Intraocular Lens Implantation in the First Year of Life. Trivedi RH, Wilson ME, Lal G, Peterseim MM. Presented at the 29th Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Waikoloa, Hawaii, March 23-27, 2003.
- (377) Feasibility of IOL Implantation During Infancy: Perceptions of Parents and AAPOS Members. Lambert SR, Lynn M, Drews-Botsch C, DuBois L, Wilson ME, Plager DA. Presented at the 29th Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Waikoloa, Hawaii, March 23-27, 2003.
- (378) 2001 AAPOS Pediatric Cataract Surgery & Intraocular Lens Implantation Survey. Wilson ME, Bartholomew LR, Trivedi RH. Poster Presentation at the 29th Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Waikoloa, Hawaii, March 23-27, 2003.

- (379) Immediate Post-operative Alignment as a Predictor of Long Term Alignment after Bilateral Medial Rectus Muscle Recession for Esotropia. Jacobs MS, Kruger SJ, Peterseim MM, Wilson ME, Saunders RA, Hutchinson AK. Poster Presentation at the 29th Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Waikoloa, Hawaii, March 23-27, 2003.
- (380) Challenges in Pediatric Cataracts: Problems and Solutions. Crouch ER, Buckley EG, Cheng KP, Del Monte MA, Plager DA, Wilson ME. Workshop presentation at the 29th Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Waikoloa, Hawaii, March 23-27, 2003.
- (381) Outcomes of Intraocular Lens Implantation for Pediatric Traumatic Cataract. Wilson ME. Presented at the 34th Annual Meeting of the Costenbader Society, Maui, Hawaii, March 27-30, 2003.
- (382) Pediatric Cataract Surgery: Practice Styles and Preferences of the 2001 ASCRS and AAPOS Memberships. Wilson ME, Bartholomew LR, Trivedi RH. Presented at the 34th Annual Meeting of the Costenbader Society, Maui, Hawaii, March 27-30, 2003.
- (383) Maintenance of Clear Visual Axis after AcrySof Intraocular Lens Implantation in the First Year of Life. Trivedi RH, Wilson ME, Peterseim MM. Presented at the Annual Symposium on Cataract, IOL and Refractive Surgery sponsored by the American Society for Cataract & Refractive Surgery (ASCRS), San Francisco, California, April 12-16, 2003.
- (384) Outcomes of Intraocular Lens Implantation for Pediatric Traumatic Cataract. Wilson ME, Peterseim MM, Pandey SK, Elliott LA, Trivedi RH. Presented at the Annual Symposium on Cataract, IOL and Refractive Surgery sponsored by the American Society for Cataract & Refractive Surgery (ASCRS), San Francisco, California, April 12-16, 2003.
- (385) Glaucoma in Children After Cataract Surgery and Intraocular Lens Implantation. Trivedi RH, Wilson ME, Peterseim MM, Lal G, Elliott L. Presented at the Annual Symposium on Cataract, IOL and Refractive Surgery sponsored by the American Society for Cataract & Refractive Surgery (ASCRS), San Francisco, California, April 12-16, 2003.
- (386) Interocular Difference in Axial Length in Pediatric Cataracts. Lal G, Trivedi RH, Peterseim MM, Scarlett L, Wilson ME. Presented at the Annual Symposium on Cataract, IOL and Refractive Surgery sponsored by the American Society for Cataract & Refractive Surgery (ASCRS), San Francisco, California, April 12-16, 2003.
- (387) Symposium: Management of Complex Cataracts in Children and Young Adults. Wilson ME moderator. (Also moderated Free Paper Session). Presented at the Annual Symposium on Cataract, IOL and Refractive Surgery sponsored by the American Society for Cataract & Refractive Surgery (ASCRS), San Francisco, California, April 12-16, 2003.

- (388) Axial Length and Keratometry in Eyes with Pediatric Cataract. Trivedi RH, Wilson ME, Peterseim MM, Lal G. Poster presented at the Annual Symposium on Cataract, IOL and Refractive Surgery sponsored by the American Society for Cataract & Refractive Surgery (ASCRS), San Francisco, California, April 12-16, 2003.
- (389) On Guard! Pulling, Cutting or Burning: Capsulotomies in Kids. Wilson ME, Trivedi RH, Lal G. Video presented at the Annual Symposium on Cataract, IOL and Refractive Surgery sponsored by the American Society for Cataract & Refractive Surgery (ASCRS), San Francisco, California, April 12-16, 2003.
- (390) Inside-Out or Upside-Down: Pars Plana versus Limbal Capsulotomy and Vitrectomy in Children. Trivedi RH, Wilson ME, Lal G. Video presented at the Annual Symposium on Cataract, IOL and Refractive Surgery sponsored by the American Society for Cataract & Refractive Surgery (ASCRS), San Francisco, California, April 12-16, 2003.
- (391) Pediatric Cataract-Intraocular Lens Surgery: How Important is Implant Sizing and Design? Pandey SK, Werner L, Apple DA, Wilson ME, Izak AM. Poster presented at the Annual Symposium on Cataract, IOL and Refractive Surgery sponsored by the American Society for Cataract & Refractive Surgery (ASCRS), San Francisco, California, April 12-16, 2003.
- (392) Angiostatin Decreases Vascular Leakage by Down-regulating VEGF Expression. Sima J, Zhang SX, Fant J, Crosson CE, Saunders RA, Wilson ME, Ma JX. Poster Presentation at the Annual Meeting of The Association for Research in Vision and Ophthalmology (ARVO), Fort Lauderdale, Florida, May 4-9, 2003.
- (393) Treatment of Retinal Edema Using Peptide Angiogenic Inhibitors. Ma JX, Zhang SX, Sima J, Shao CK, Crosson CE, Saunders RA, Wilson ME. Poster Presentation at the Annual Meeting of The Association for Research in Vision and Ophthalmology (ARVO), Fort Lauderdale, Florida, May 4-9, 2003.

- (396) Case Presentation Panel. De Faber J-T, O'Keefe M, Wilson ME, Del Monte M, Bateman B, Koc F. Presented at the International Pediatric Ophthalmology Meeting held in conjunction with the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California, November 15, 2003.
- (397) Pediatric IOL Surgery. Wilson ME, Trivedi RH. Presented as an invited speaker, Spotlight on Pseudophakic IOLs 2003: Where Are We Now? Where Are We Going? A

Spotlight Symposium at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California, November 15-18, 2003.

- (398) Rate of Axial Growth Following Congenital Cataract Surgery. Vasavada AR, Raj SM, Nihalani B. Invited Discussant: Wilson ME. Presented at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California, November 15-18, 2003.
- (399) Pediatric Cataracts: Evaluation and Treatment. Bateman JB, Mets MB, Wilson ME. One Hour Instructional Course. Presented at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California, November 15-18, 2003.
- (400) Snellen Acuity and Reoperation Rate After Unilateral Cataract Surgery With or Without IOL Implantation During the First Six Months of Life. Lambert SR, Lynn MJ, Drews-Botsch C, DuBois LG, Plager DA, Medow NB, Wilson ME, Buckley EG. Poster Presentation at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California, November 15-18, 2003.
- (401) Limbal vs. Pars Plana Posterior Capsulectomy and Vitrectomy in Eyes with Pediatric Cataract. Trivedi RH, Wilson ME, Lal G. Video Presentation at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California, November 15-18, 2003.
- (402) Anterior Capsulotomies in Eyes with Pediatric Cataract. Wilson ME, Trivedi RH, Lal G. Video Presentation at the Annual Meeting of the American Academy of Ophthalmology, Anaheim, California, November 15-18, 2003.
- (403) Pediatric Cataract and IOL surgery: Where Are We Now? Where Are We Going? Wilson ME. Presented at the XXV Inter-American Course in Ophthalmology, sponsored by Bascom-Palmer Eye Institute and the University of Miami School of Medicine, Miami, Florida, November 24, 2003.
- (404) Pediatric Cataract Surgery: What is the "State" of the "Art" for 2004. Wilson ME. Presented as a Visiting Professor at the Wake Forest University Eye Center, Winston-Salem, N.C. February 21, 2004.
- (405) Overview of Dissociated Strabismus. Wilson ME. Presented as a Visiting Professor at the Wake Forest University Eye Center, Winston-Salem, N.C. February 21, 2004.
- (406) Patient and provider perspectives on the severity of adult strabismus and on outcome contributors. Beauchamp GR, Black BC, Coats DK, Enzenauer RW, Hutchinson AK, Saunders RA, Simon JW, Stager Jr. DR, Stager Sr. DR, Wilson ME, Zobal-Ratner J, Felius J. Presented at the 30th Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Washington D.C., March 27-31, 2004.
- (407) Secondary Intraocular Lens Implantation in Pediatric Aphakia. Trivedi RH, Wilson ME, Facciani JM, Shrestha JB. Presented at the 30th Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Washington D.C., March 27-31, 2004.

- (408) Does a longer eye predict a poorer visual outcome from unilateral cataract surgery? Facciani JM, Trivedi RH, Appenzeller MF, Wilson ME. Poster presentation at the 30th Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Washington D.C., March 27-31, 2004.
- (409) Intraocular lens implantation in infants in a developing country setup. Thakur J, Paudyal G, Wilson ME, Gurung R, Tabin G, Ruit S. Poster presentation at the 30th Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Washington D.C., March 27-31, 2004.
- (410) Difficult Problems: Strabismus. Saunders RA (moderator), Baker JD, Ludwig IH, Reinecke RD, Scott AB, Wilson ME (Panelists). Workshop presentation at the 30th Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Washington D.C., March 27-31, 2004.
- (411) Pediatric Refractive Surgery: Pro (Reasons to Move Forward). Wilson ME. Presented as part of a symposium on Refractive Surgery in Children held (March 26) just prior to the opening reception for the 30th Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Washington D.C., March 27-31, 2004.
- (412) Symposium: Uses and Abuses of Prism – A Guide for the Busy Ophthalmologist. Wilson ME. (Moderator). Speakers included Buckley EG, Plager DA, Coats DK, Granet DB, Paysse EA, and Wilson ME (Special Needs for Prism). Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, San Diego, California, May 1-5, 2004.
- (413) Effect of Pediatric Cataract Surgery on Inter-ocular Axial Length Difference. Trivedi RH, Wilson ME. Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, San Diego, California, May 1-5, 2004.
- (414) Visual Outcome in Children Older than 2 Years Having Cataract Surgery with IOL Implantation. Wilson ME. Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, San Diego, California, May 1-5, 2004.
- (415) Pediatric Cataract Surgery in Nepal. Thakur J, Wilson ME. Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, San Diego, California, May 1-5, 2004.
- (416) Outcomes of Unilateral Cataract Surgery in Longer Eyes. Facciani JM. Wilson ME. Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, San Diego, California, May 1-5, 2004.
- (417) Secondary IOL Implantation in Pediatric Aphakia. Trivedi RH., Wilson ME. Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, San Diego, California, May 1-5, 2004.

- (418) Pediatric Cataract Surgery: 2004 Update. Wilson ME. Presented as a Visiting Professor to McGill University at The Children's Centennial (100 year Celebration of the Montreal Children's Hospital) and The 27th Annual McGill Ophthalmology Clinical and Scientific Days, Montreal Quebec Canada, May 27 and May 28, 2004.

- (435) A Roadmap for the Prevention of Blindness from Congenital Cataracts in the Developing World. Wilson ME. Presented before the Nepal Ophthalmology Society, Kathmandu, Nepal, November 19, 2004.
- (436) The Management of Strabismus in Adults: Effects on Disability. Beauchamp GR, Black BC, Coats DK, Enzenauer RW, Hutchinson AK, Saunders RA, Simon JW, Stager Jr. DR, Stager Sr. DR, Wilson ME, Zobal-Ratner J, Felius J. Presented at the 31st Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Orlando, Florida, March 9-13, 2005.

- (437) The Critical Period for Surgical Treatment of Dense Bilateral Congenital Cataracts. Lambert SR, Reeves R, Plager DA, Buckley EG, Wilson ME, Lynn M. Presented at the 31st Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Orlando, Florida, March 9-13, 2005.
- (438) Glaucoma and Ocular Hypertension After Primary IOL Implantation in Children. Trivedi RH, Wilson ME, Golub RL. Presented at the 31st Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Orlando, Florida, March 9-13, 2005.
- (439) Outcome of Intraocular Lens Implantation for Pediatric Cataract. Golub RL, Wilson ME, Peterseim MM, Breckenridge R, Trivedi RH. Presented as a Poster at the 31st Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Orlando, Florida, March 9-13, 2005.
- (440) Primary IOL Implantation at Surgery for Unilateral Congenital Cataract. Wilson ME. Presented as part of a Workshop entitled: Point/Counterpoint: Surgical Approaches (Summers CG – moderator) at the 31st Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Orlando, Florida, March 9-13, 2005.
- (441) New Techniques in Pediatric Cataract Surgery. Wilson ME. Presented as part of a Workshop entitled: Pediatric Cataracts: Issues and Answers (Crouch ER – moderator) at the 31st Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Orlando, Florida, March 9-13, 2005.
- (442) The Case of a Lens in the Anterior Chamber: A surgical dilemma. Wilson ME. Presented at the 36th Annual Meeting of the Costenbader Alumni Society, Willard Inter-Continental Hotel, Washington, DC, April 9-10, 2005.
- (443) Can a Change in Surgical Technique Help Prevent Visual Axis Opacification in Infants after Cataract Surgery with IOL Implantation? Wilson ME. Presented at the 36th Annual Meeting of the Costenbader Alumni Society, Willard Inter-Continental Hotel, Washington, DC, April 9-10, 2005.
- (444) A Roadmap for Eliminating Pediatric Cataract Blindness in the Developing World. Wilson ME. Presented as a Visiting Professor at the Grand Rounds held at the University of Texas, Houston Department of Ophthalmology, Houston, Texas, April 14, 2005.
- (445) Treatment for Childhood Cataracts – 2005 Update. Wilson ME. Presented as the Everett Goar Lecture before the Houston Ophthalmological Society, Houston, Texas, April 14, 2005.
- (446) Overview of Pediatric Glaucoma. Wilson ME. Presented as a Visiting Professor at the Grand Rounds at Baylor University, Department of Ophthalmology, Houston, Texas, April 15, 2005.

- (447) The Infant Aphakia Treatment Study. Wilson ME. Presented as part of the Hot Topics Symposium at the 2005 Symposium and Congress sponsored by the American Society of Cataract and Refractive Surgery, Washington, D.C., April 15-20, 2005.
- (448) Moderator for Pediatric Free Papers session. Wilson ME. Presented at the 2005 Symposium and Congress sponsored by the American Society of Cataract and Refractive Surgery, Washington, D.C., April 15-20, 2005.
- (449) Outcome of AcrySof Intraocular Lens Implantation in Children. Trivedi RH, Wilson ME. Presented at the 2005 Symposium and Congress sponsored by the American Society of Cataract and Refractive Surgery, Washington, D.C., April 15-20, 2005.
- (450) Anterior Capsulotomy Part 1: Experimental Analysis. Trivedi RH, Wilson ME. Presented at the 2005 Symposium and Congress sponsored by the American Society of Cataract and Refractive Surgery, Washington, D.C., April 15-20, 2005.
- (451) Anterior Capsulotomy Part 2: Clinical Outcomes in Pediatric Eyes. Wilson ME, Trivedi RH. Presented at the 2005 Symposium and Congress sponsored by the American Society of Cataract and Refractive Surgery, Washington, D.C., April 15-20, 2005.
- (452) Intraocular Lens Implantation for Traumatic Cataract in Children. Golub R, Trivedi RH, Wilson ME. Presented at the 2005 Symposium and Congress sponsored by the American Society of Cataract and Refractive Surgery, Washington, D.C., April 15-20, 2005.
- (453) Symposium: Challenging Cataract Cases in Children. Wilson ME (moderator) and presenter (Subluxated Lens Management with Vitrector). Presented at the 2005 Symposium and Congress sponsored by the American Society of Cataract and Refractive Surgery, Washington, D.C., April 15-20, 2005.
- (454) Anterior Capsulotomy Survey of Pediatric Cataract Surgeons. Bartholomew L, Wilson ME, Trivedi RH. Presented as a Poster at the 2005 Symposium and Congress sponsored by the American Society of Cataract and Refractive Surgery, Washington, D.C., April 15-20, 2005.
- (455) Glaucoma Following Pediatric Cataract Extraction: Rate and Risk Factors. Lawrence MG, Kramarevsky N, Christiansen SP, Wright MM, Summers CG. – Discussion. Presentation as an Invited Discussant by Wilson ME, at the 141st Annual Meeting of the American Ophthalmological Society, Sea Island, Georgia, May 22-25, 2005.
- (456) Pediatric Ophthalmology Update 2005: Wilson ME, Saunders RA, Peterseim MM. Panel presentation at the Storm Eye Institute/ASCRS Clinical Update, Kiawah Island, S.C. June 2 – 5, 2005.
- (457) Cataracts in Children – Update for 2005: Wilson ME. Presented as an invited speaker to the 10th International Paediatric Ophthalmology Meeting, Mater Hospital, Dublin, Ireland, September 23 & 23, 2005.

- (458) Maximizing Visual Outcomes from Treatments for Childhood Cataracts: Wilson ME. Presented as an invited speaker for the Alfred Bressler Vision Science Symposium sponsored by the Jewish Guild for the Blind and held at the New York Academy of Sciences, New York, N.Y. October 1, 2005.
- (459) When Should Which Lens Implant be Used in Congenital Cataract Surgery: Wilson ME, Trivedi RH. Presented as an invited speaker at the AAO Subspecialty Day entitled: Little Kids, Big Issues, as part of the Annual Meeting of the American Academy of Ophthalmology – The Technology of Care – Chicago, Illinois, October 15 – 18, 2005.
- (460) Congenital Cataract: Surgical Techniques and Results: Wilson ME. Presented as an invited speaker to an International Ophthalmology symposium entitled: One New Blind Child Every Minute, as part of the Annual Meeting of the American Academy of Ophthalmology – The Technology of Care – Chicago, Illinois, October 15 – 18, 2005.
- (461) Cataract Surgery in Children: Complicated Cases and Controversies. Wilson ME with panelists, Trivedi RH, Buckley E, Plager D, Lambert S, Granet D. An Instructional Course (2 hours), as part of the Annual Meeting of the American Academy of Ophthalmology – The Technology of Care – Chicago, Illinois, October 15 – 18, 2005.
- (462) Pediatric Cataract and IOL Issues: Wilson ME. Breakfast with the Experts. Presented as part of the Annual Meeting of the American Academy of Ophthalmology – The Technology of Care – Chicago, Illinois, October 15 – 18, 2005.
- (463) Issues Relating to the Use of IOLs in Infants and Toddlers: Wilson ME, Trivedi RH. Presented as an Advanced Course (1 hour) for JCAHPO as part of the Annual Meeting of the American Academy of Ophthalmology – The Technology of Care – Chicago, Illinois, October 15 – 18, 2005.
- (464) The Dissociated Strabismus Complex: Wilson ME. Presented as an invited speaker in a symposium co-sponsored by the American Association for Pediatric Ophthalmology and Strabismus at the World Ophthalmology Congress in Sao Paulo, Brazil, February 20-24, 2006.
- (465) Update on Congenital Cataract: Wilson ME. Invited Chairman (selected topics, speakers, and gave introductory and concluding remarks) for a symposium entitled: A Roadmap for Curing Pediatric Cataract Blindness in the Developing and the Developed World. Symposium was part of the World Ophthalmology Congress in Sao Paulo, Brazil, February 20-24, 2006.
- (466) IOL Options and Choices for Children: Wilson ME. Presented at the World Ophthalmology Congress in San Paulo, Brazil, February 20-24, 2006.
- (467) Low Vision Rehabilitation: why vision rehabilitation facilities are important to the health of eye care in the community and how to set up a low vision rehabilitation center to ensure that it not only provides a service to the community, but is also financially

healthy. Wilson ME, Morse SE. Presented at the annual meeting of the Vision meeting of the National Eye Institute's Public Information Network, held in Charleston, S.C., March 6-8, 2006.

- (468) Anterior Capsulotomy: Intraoperative Performance and Inadvertent Tear Rate During Pediatric Cataract Surgery. Wilson ME, Trivedi RH, Bartholomew LR, Pershing S. Presented as part of the 32nd Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Keystone, Colorado, March 15-19, 2006.
- (469) Interocular Axial Length Difference: Does it Change After Pediatric Cataract-Intraocular Lens Implantation Surgery? Trivedi RH, Wilson ME. Presented as part of the 32nd Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Keystone, Colorado, March 15-19, 2006.
- (470) Pediatric Cataract Extraction with Intraocular Lens (IOL) Implantation: Visual Acuity (VA) Outcome When Measured at Age Four Years and Older. Ledoux DM, Trivedi RH, Wilson ME, Payne JF. Presented as part of the 32nd Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Keystone, Colorado, March 15-19, 2006.
- (471) Complications of Pediatric Cataract-Intraocular Lens Implantation. Scarlett L, Wilson ME, Trivedi RH, French J. Poster presentation at the 32nd Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Keystone, Colorado, March 15-19, 2006.
- (472) The Use of Multifocal IOLs in Children. Wilson ME. Presented as an invited participant in a Workshop entitled: Pediatric Cataracts: Issues and Answers. Crouch ER, Buckley EG, Del Monte MA, Plager DA, Wilson ME. At the 32nd Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Keystone, Colorado, March 15-19, 2006.
- (473) Challenging Cataract Cases in Children. Wilson ME. Moderator of a symposium featuring case presentations in pediatric cataract surgery held at the Annual Meeting of the American Association of Cataract and Refractive Surgery, San Francisco, California, March 17-22, 2006.
- (474) Pediatric IOL Implantation: Free Paper session: Wilson ME. Moderator of 13 free papers including panel discussion and critique, held at the Annual Meeting of the American Association of Cataract and Refractive Surgery, San Francisco, California, March 17-22, 2006.
- (475) Intraocular Lens Power Calculation for Children: Trivedi RH, Wilson ME, Hoffer KJ, Vasavada AR, Ledoux DM. An instructional course given at the Annual Meeting of the American Association of Cataract and Refractive Surgery, San Francisco, California, March 17-22, 2006.

- (476) Intraocular Lens Implantation in Pediatric Eyes with Posterior Lentiglobus. Wilson ME, Trivedi RH. Presented at the Annual Meeting of the American Ophthalmological Society, Half Moon Bay, California, May 21-24, 2006.
- (477) Pediatric Cataract and Intraocular Lens Issues: "Soup to Nuts". Wilson ME. Presented at the Annual Storm Eye/ ASCRS Clinical Update (JCAHPO technician curriculum), Kiawah Island, South Carolina, June 1-4, 2006
- (478) Intraocular Lens Options and Designs for Children. Wilson ME. Presented as an invited speaker at Innovations in Pediatric Ophthalmology, Cole Eye Institute at Cleveland Clinic, Cleveland, Ohio, September 16, 2006.
- (479) Instrumentation and Techniques for Pediatric Cataract Surgery. Wilson ME. Presented as an invited speaker at Innovation in Pediatric Ophthalmology, Cole Eye Institute, Cleveland Clinic, Cleveland, Ohio, September 16, 2006.
- (480) Pediatric Intraoperative Floppy Iris Syndrome. Wilson ME. Presented as an invited speaker as part of a Pediatric Cataract Symposium at the Pediatric Ophthalmology and Strabismus Day: An Extravaganza in Las Vegas, held at Caesar's Palace, Las Vegas, Nevada, November 10, 2006.
- (481) Instrumentation for Pediatric Cataract Surgery. Wilson ME. Presented as an invited speaker as part of a Pediatric Cataract Symposium at the Pediatric Ophthalmology and Strabismus Day: An Extravaganza in Las Vegas, held at Caesar's Palace, Las Vegas, Nevada, November 10, 2006.
- (482) Pediatric Cataract and IOL Issues. Wilson ME. Moderator for Breakfast With The Experts. Presented at the Annual Meeting of the American Academy of Ophthalmology, Las Vegas, Nevada, November 11-14, 2006.
- (483) Biometry of Eyes With Pediatric Cataract. Trivedi RH, Wilson ME. Presented as a Poster at the Annual Meeting of the American Academy of Ophthalmology, Las Vegas, Nevada, November 11-14, 2006.
- (484) Cataract Surgery in Children: Complicated Cases and Controversies. Wilson ME, Lambert SR, Plager DA, Buckley EG, Granet DB, Trivedi RH. Presented as a two-hour instructional course (jointly sponsored by the American Academy of Ophthalmology Annual Meeting Program Committee and the American Association of Cataract and Refractive Surgery) at the Annual Meeting of the American Academy of Ophthalmology, Las Vegas, Nevada, November 11-14, 2006.
- (485) Posterior lentiglobus and posterior polar cataracts: Comparison and discussion. Wilson ME. Presented as a visiting professor at the Children's Hospital Boston, Harvard Medical School, Boston, Massachusetts, January 24, 2007.

- (486) Pediatric Cataract Surgery: a 2007 update. Wilson ME. Presented as a visiting professor at the Children's Hospital Boston, Harvard Medical School, Boston, Massachusetts, January 24, 2007.
- (487) Pediatric Cataracts: Issues and Answers. Crouch ER, Buckley EG, Del Monte MA, Plager DA, Wilson ME. Workshop presentation at the 33rd Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Seattle, Washington, April 11-15, 2007.
- (488) Pearls and Pitfalls in the Management of Infantile Cataracts: Lessons Learned to Date from the Infant Aphakia Treatment Study. Lambert SR, Wilson ME, Traboulsi EI, VanderVeen D, Kendall C. Workshop presentation at the 33rd Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, Seattle, Washington, April 11-15, 2007.
- (489) Eye Growth in the Second Decade of Life: Implications for the Use of Multifocal IOLs in this age group. Wilson ME. Presented as part of a Symposium entitled Hot Topics at the Annual Meeting of the American Society of Cataract and Refractive Surgery, San Diego, California, April 28 – May 2, 2007.
- (490) Symposium: Challenging Cataract Cases in Children. Wilson ME (Moderator). Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, San Diego, California, April 28 – May 2, 2007.
- (491) Piggyback IOL insertion and removal. Wilson ME. Video presentation as part of a Symposium: Challenging Cataract Cases in Children. Wilson ME (Moderator). Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, San Diego, California, April 28 – May 2, 2007.
- (492) Pediatric Cataract Surgery, Techniques and Technology – free paper session. Wilson ME (Moderator). Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, San Diego, California, April 28 – May 2, 2007.
- (493) Intraocular Lens Implantation in Pediatric Eyes with Posterior Polar Cataract. Mistr S, Wilson ME, Trivedi RH. Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, San Diego, California, April 28 – May 2, 2007.
- (494) Intraocular Lens Implantation in Pediatric Eyes with Posterior Lentiglobus. Wilson ME, Trivedi RH, Mistr S. Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, San Diego, California, April 28 – May 2, 2007.
- (495) Long-term Axial Growth After Pediatric Cataract Surgery with IOL Implantation. Trivedi RH, Wilson ME, Mistr S. Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, San Diego, California, April 28 – May 2, 2007.

- (496) Pediatric Intraoperative Floppy Iris Syndrome. Wilson ME, Trivedi RH, Mistr S. Video Film Festival. Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, San Diego, California, April 28 – May 2, 2007.
- (497) Choice of IOL in Pediatric Cataract Surgery. Wilson ME, Trivedi RH. Poster Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, San Diego, California, April 28 – May 2, 2007.
- (498) High Myopia after IOL Implantation in Children. Trivedi RH, Wilson ME, Mistr S. Poster Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, San Diego, California, April 28 – May 2, 2007.
- (499) Storm Eye Research Update Part 1 & Part 2. Wilson ME (Moderator). Presented at the Annual Storm Eye/ASCRS Clinical Update, Kiawah, S.C., May 31 – June 3, 2007.
- (500) Medicare/Legislative Update. Wilson ME (Moderator). Presented by Nancey K. McCann and E. Ann Rose at the Annual Storm Eye/ASCRS Clinical Update, Kiawah, S.C., May 31 – June 3, 2007.
- (501) Ophthalmic Specialties Update. Wilson ME (Moderator), Chavis PS, Howard GR, Saunders RB, Trivedi RH. Presented at the Annual Storm Eye/ASCRS Clinical Update, Kiawah, S.C., May 31 – June 3, 2007.
- (502) Instrumentation and Techniques for Pediatric Cataract Surgery: 2007 Update. Wilson ME. Presented as the annual Elbyrne G. Gill lecture before the 24th annual meeting of the Virginia Ophthalmology Society, Modern Ophthalmology in Historic Virginia: The Country Looks Back and Ophthalmology Looks Forward, Williamsburg, Virginia, June 21-23, 2007.
- (503) Difficult Cases Video Workshop. Wilson ME. Presented at the 38th Costenbader Society Annual Meeting, Willard Hotel, Washington, DC, September 8-9, 2007.
- (504) The Management of Congenital and Childhood Cataracts in the Developing World. Wilson ME. Moderator for session before the Cataract Working Group of the International Agency for the Prevention of Blindness (IAPB). Wilson ME: Pediatric cataract trends and best practices from around the world. Vasavada A: Appropriate Technology and Infrastructure for a pediatric cataract program. Trivedi RH: Biometry and refractive error issues unique to pediatric cataracts. Muhit M: Reaching the rural cataract-blind children and setting up a national program. New Orleans, LA, November 9, 2007.
- (505) Eye Growth in the Second Decade of Life: Implications for the Implantation of Multifocal Intraocular Lenses. Wilson ME. Presented at the 3rd Annual Pre-AAO Pediatric Ophthalmology Day, Ochsner Institute, New Orleans, LA, November 10, 2007.

- (506) Bilateral Pre-existing Posterior Capsule Defects in an 8 month-old Child with Complete Cataracts. Wilson ME. Video presentation at the 3rd Annual Pre-AAO Pediatric Ophthalmology Day, Ochsner Institute, New Orleans, LA, November 10, 2007.
- (507) Young Ophthalmologists in International Ophthalmology. Feldman BH, Lawrence LM, Wilson ME, Brennan MW, Cherwek DH. Presented as an Instructional Course at the Annual Meeting of the American Academy of Ophthalmology, New Orleans, LA. November 10-13, 2007.
- (508) Pediatric Cataract Surgery. Wilson ME. Presented as moderator of a Breakfast with the Experts Roundtable session at the Annual Meeting of the American Academy of Ophthalmology, New Orleans, LA. November 10-13, 2007.
- (509) Cataract surgery with implantation of a mechanically reversibly adjustable intraocular lens: Acri.Tec AR-1 PC IOL. Jahn CE. Invited discussant was Wilson ME. Presented as part of a symposium entitled Editor's Choice at the Annual Meeting of the American Academy of Ophthalmology, New Orleans, LA. November 10-13, 2007.
- (510) Ethnicity and Pediatric Eye Growth After Cataract-IOL Implantation Surgery. Trivedi RH, Wilson ME. Poster presentation at the Annual Meeting of the American Academy of Ophthalmology, New Orleans, LA. November 10-13, 2007.
- (511) Unilateral Pseudophakia: Comparison of Longitudinal Eye Growth with Fellow Lens (Clear Lens). Trivedi RH, Wilson ME. Poster presentation at the Annual Meeting of the American Academy of Ophthalmology, New Orleans, LA. November 10-13, 2007.
- (512) Pediatric Ophthalmology and Strabismus free papers. Freedman SF moderator, Wilson ME, Greenwald MJ, Hered RW panelists. Wilson ME lead discussant on Suh DW, Long-term results on an adjustable superior oblique tendon spacer using non-absorbable suture; and Rreddy JKK, Retro-iris fixation of IOL for congenital subluxated lenses in children. Presented at the Annual Meeting of the American Academy of Ophthalmology, New Orleans, LA. November 10-13, 2007.
- (513) Pediatric Cataract Surgery: Complicated Cases and Controversies. Wilson ME presenter and moderator with Buckley EG, Lambert SR, Plager DA, Granet DB, and Trivedi RH as panelists. Presented as a 2 hour instructional course at the Annual Meeting of the American Academy of Ophthalmology, New Orleans, LA. November 10-13, 2007.
- (514) Axial-Length Measurements by Immersion A-Scan Technique and Applanation Technique in Children. Trivedi, Rupal H.; Wilson, M. Edward. Presented as a paper at the Annual Meeting of the American Society of Cataract and Refractive Surgery, April 6-10, 2008, Chicago, Illinois.
- (515) Exploring Axial Growth in Eyes Operated on for Unilateral Pediatric Cataract Surgery with Primary IOL Implantation. Trivedi, Rupal H.; Wilson, M. Edward. Presented as a

paper at the Annual Meeting of the American Society of Cataract and Refractive Surgery, April 6-10, 2008, Chicago, Illinois.

- (516) Pediatric Cataracts: 2008 update on detection, evaluation, and treatment. Wilson ME. Presented as an invited speaker at the SC Conclave on Ophthalmic Genetics held at the Greenwood Genetics Center, Greenwood, SC, January 25, 2008.
- (517) Advances in Pediatric Cataract Surgery. Wilson ME. Presented as an invited speaker at Extraordinary Ophthalmology: International Conference sponsored by the University of Wisconsin, held at the Monona Terrace Convention Center in Madison, Wisconsin. July 11-12, 2008.
- (518) Axial Length Measurements by Immersion A-Scan Technique and Applanation Technique in Children. Wilson ME and Trivedi RH. Presented at the Annual Meeting of the Costenbader Alumni Society held in Santé Fe, New Mexico. September 11-13, 2008.
- (519) Dissociated Strabismus: interactive case-based workshop. Wilson ME. Presented at the Annual Meeting of the Costenbader Alumni Society held in Santé Fe, New Mexico. September 11-13, 2008.
- (520) Lectures by Wilson ME: Pediatric Eye Examination – Art and Science; Current Approaches to the Treatment of Amblyopia; Overview of Pediatric Glaucoma; Vision Training: Ophthalmology vs. Optometry; Refractive Surgery in Children; Dissociated Strabismus; Pediatric Cataract Surgery – 2008; Intraocular Lens Implantation in Children with Posterior Polar and Posterior Lentiglobus Cataracts. Presented at the Jacaranda Eye Conference on Paediatric Ophthalmology featuring Professor Tony Moore and Professor Edward Wilson, held at the CSIR (Council for Scientific and Industrial Research, South African Bureau of Standards) Convention Centre, Pretoria, South Africa. 24-26 October, 2008
- (521) Lectures by Wilson ME: Pediatric Eye Examination – Art and Science; Current Approaches to the Treatment of Amblyopia; Overview of Pediatric Glaucoma; Vision Training: Ophthalmology vs. Optometry; Refractive Surgery in Children; Specialized Treatment of Traumatic Cataracts and Lens Subluxation in Children; Pediatric Cataract Surgery – 2008; Intraocular Lens Implantation in Children with Posterior Polar and Posterior Lentiglobus Cataracts. Presented at the Cape Eye Hospital Symposium on Paediatric Ophthalmology featuring Professor Tony Moore and Professor Edward Wilson, Capetown, South Africa. 30 October – 1 November, 2008.
- (522) Introduction of guest speaker and participant in discussion at journal club and grand rounds by Wilson ME. Annual Angeline Parks Visiting Professorship (Art Rosenbaum, MD) held at the Children’s National Medical Center, Washington, DC on March 13, 2009.
- (523) Vision Loss that Begins in Childhood: What Does Research Have to Offer? Presented as the keynote lecture by Wilson, ME. Vision Summit 2009: Eye Conditions: the Impact

on Student Learning and Independence. Hosted by the SC Vision Education Partnership and held at the SC Archives and History Center, Columbia, SC on March 20, 2009.

- (524) Rate of Surgery for Visual Axis Opacification After Cataract Surgery and Hydrophobic Acrylic IOL Implantation in the First Year of Life: Comparison of 3-piece and single-piece IOLs. Trivedi RH, Wilson ME. Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, April 3-7, 2009, San Francisco, California.
- (525) Symposium: Challenging Cataract Cases in Children. Wilson ME, Moderator with Panelist: Bothum ED, Lambert SR, O'Keefe M, Trivedi RH, Vasavada AR. Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, April 3-7, 2009, San Francisco, California.
- (526) Pediatric Cataract Surgery, Refractive Surgery, and Medications – Free Paper session 3-A. Wilson ME Moderator with Panelists: Kim WS, Perez-Arteaga A, Zetterstrom C. Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, April 3-7, 2009, San Francisco, California.
- (527) Evaluation of Holladay II Formula for Pediatric Eyes in the Absence of Preoperative Refraction and Visual Acuity. Trivedi, Rupal H.; Wilson, M. Edward; Reardon, Wade. Presented at the Annual Meeting of the American Society of Cataract and Refractive Surgery, April 3-7, 2009, San Francisco, California.
- (528) Apt Lecturer Workshop: International Childhood Blindness. Sherwin Isenberg, Tina Rutar, Tom Lietman, Ken Nischal, Ed Wilson, Tony Murray, Robert Stamper, Bill Good, Elias Traboulsi. Talk by Wilson ME was Pediatric Cataracts in Low and Middle Income Nations. Presented at the Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, April 17-21, San Francisco, California.
- (529) A Pilot Study Evaluating the Use of EyeSpy (VisionQuest) to Perform Vision Screening. Wilson ME; Trivedi RH, Peterseim MM, Cole KB, Teed RGW. Presented as a Poster at the Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, April 17-21, San Francisco, California.
- (530) Interocular Axial Length Difference as a Predictor of Postoperative Visual Acuity Following Pediatric Cataract Extraction with Primary Intraocular Lens Implantation. Goshnauer AC, Trivedi RH, Hill EG, Wilson ME. (Ashley Goshnauer Master's thesis for her MSCR which she received along with her MD in May 09). Presented at the Annual Meeting of the American Association for Pediatric Ophthalmology and Strabismus, April 17-21, San Francisco, California.
- (531) Pediatric Eye Examination: The Art and the Science. Wilson ME. Presented as the annual Goodwin Breinin Visiting Professor at New York University, NYC on May 8, 2009. Also had a Grand Rounds with 10 patient cases to discuss.

- (532) Pediatric Cataract Surgery: What is New for 2009? Wilson ME. Presented as the annual Goodwin Breinin MD Lecture at New York University School of Medicine, NYC on May 8, 2009.
- (533) Eye Growth in the Second Decade of Life: Implications for the use of Multifocal Intraocular Lens in Children. Wilson ME. Presented at the annual meeting of the American Ophthalmological Society, Half Moon Bay, Ca. May 14-17, 2009.
- (534) IOLs in Infants: Update from the Infant Aphakia Treatment Study. Wilson ME. Presented at Kiawah Eye 2009 held at the East Beach Convention Center, Kiawah Island, SC held May 28-31, 2009.
- (535) Subspecialty Grand Rounds. Wilson ME, moderator. Presented at Kiawah Eye 2009 held at the East Beach Convention Center, Kiawah Island, SC held May 28-31, 2009.
- (536) What I've Learned Overseas. Wilson ME. Presented as the Keynote speaker of the Missions Day at the Annual Meeting of the Christian Ophthalmology Society, Hilton Head, SC held July 30, 2009.
- (537) Attacking Pediatric Cataract Blindness in the Developing World: Challenges Remain. Wilson ME. Presented as the Keynote speaker of the Missions Day at the Annual Meeting of the Christian Ophthalmology Society, Hilton Head, SC held July 30, 2009.
- (538) IOL Selection and Placement in the Management of Congenital and Childhood Cataracts in the Developing World. Wilson ME. Presented as the Keynote speaker of the Missions Day at the Annual Meeting of the Christian Ophthalmology Society, Hilton Head, SC held July 30, 2009.
- (539) Challenges to the Elimination of Childhood Cataract Blindness in the Developing World. The 2009 David S. Friendly Lecture. Wilson ME. Presented at the Annual Meeting of the Costenbader Alumni Society, Annapolis, Maryland held September 11-13, 2009.
- (540) Vision Training: Optometry vs Ophthalmology. Wilson ME. Presented as a workshop lecture and discussion at the Annual Meeting of the Costenbader Alumni Society, Annapolis, Maryland held September 11-13, 2009.
- (541) Pediatric Refractive Surgery: IOL Approach. Wilson ME. Presented as an invited speaker for the Great Debates section of the Refractive Surgery Subspecialty Days 2009: It's Time To Change. Held as the Annual Meeting of the International Society for Refractive Surgery at the Annual Meeting of the American Academy of Ophthalmology, San Francisco, California, October 23-24, 2009.
- (542) How To Manage The Anterior Capsule. Wilson ME. Presented as an invited speaker for the Pediatric Cataract section of the Pediatric Ophthalmology Subspecialty Day 2009 held in conjunction with the Ophthalmology Section of the American Academy of Pediatrics at the Annual Meeting of the American Academy of Ophthalmology, San Francisco, California, October 24, 2009.

- (543) Pediatric Cataracts. Wilson ME. Presented as a Breakfast with the Experts Roundtable at the Annual Meeting of the American Academy of Ophthalmology, San Francisco, California, October 25-27, 2009.
- (544) Infant Aphakia Treatment Study (IATS): Cataract Morphology and Baseline Biometric Findings in Eyes with Monocular Cataracts. Wilson ME, Plager DP, Buckley E, Lynn M, Drews-Botsch C, Dubois L, Trivedi RH, Lambert S, Infant Aphakia Treatment study group. Presented as a poster at the Annual Meeting of the American Academy of Ophthalmology, San Francisco, CA, October 25-27, 2009.
- (545) YAG-Laser Capsulotomy Rate after Pediatric Cataract Surgery and Hydrophobic Acrylic IOL Implantation in eyes with intact posterior capsule. Trivedi RH, Wilson ME, Vasavada AR, Shah SK, Vasavada VA, Vasavada V. Presented as a poster at the Annual Meeting of the American Academy of Ophthalmology, San Francisco, CA, October 25-27, 2009.
- (546) Introduction of the 2009 Marshall M. Parks Lecturer (John T. Flynn). Wilson ME. Presented (as the President of the Costenbader Society) at a symposium entitled: Retinal Disease in Childhood at the Annual Meeting of the American Academy of Ophthalmology, San Francisco, CA, October 25-27, 2009.
- (547) Intraocular Lens Implantation in Pediatric Cataract Surgery. Wilson ME. Presented as part of an instructional course entitled: Update on Pediatric Cataracts with co-instructors: Marcia B. Tartarella, J. Bronwyn Bateman, Heman V. Iturriaga, Marlene Vogel, Fernando Barria von Bischoffsha, Pedro Matter-Neri, Jose Claros and moderator Scott R. Lambert; at the annual meeting of the Pan-American Association of Ophthalmology held in conjunction with the the Annual Meeting of the American Academy of Ophthalmology, San Francisco, CA, October 25-27, 2009.
- (548) Strabismus in Pediatric Aphakia and Pseudophakia. Wilson ME, Trivedi RH. Presented at the Annual Meeting of the American Association of Certified Orthoptists held in conjunction with the Annual Meeting of the American Academy of Ophthalmology, San Francisco, CA, October 25-27, 2009.

EXTRAMURAL PROFESSIONAL ACTIVITIES:

- (1) Editorial Board responsibilities: Executive Editor for American Journal of phthalmology
- (2) Associate Examiner for Oral Board Examination, Administered by American Board of Ophthalmology
- (3) International Missions - Surgery performed and lectures given in Kunming, Yunnan Province, Peoples Republic of China, July 17-26, 1992; in Bucharest Romania, June 26 - July 5, 1993; in (Rangoon) Myanmar (Burma), October 6 - 16, 1994; in Bangalore, India, February 15-25, 1996; in Hanoi, Vietnam, July 24 – August 3, 1999; in Addis Ababa, Ethiopia, July 9 – 22, 2000, March 9-17, 2003, and February 11-21, 2005; in Kathmandu, Nepal, November 13 – 23, 2004; in Antigua, Guatemala, February 27 –

March 3, 2002, February 18 – 23, 2003, January 7-13, 2004, January 3-7, 2005,
January 3-10, 2006, January 7-15, 2007, January 4-13, 2008, and January 11-19, 2009.

COMMUNITY SERVICE:

- (1) President of the Advocacy Coalition for Persons with Disabilities and Special Needs of Charleston County, 1995-1996.
- (2) Steering Committee - FORUM (Families Organized for Resource Use and Management). Grant funded through the S.C. Governor's Council on Disabilities, 1993-1997.
- (3) Board of Directors - Advocacy Council for Persons with Mental Retardation - Charleston County, 1991-1995.
- (4) Board of Directors - Parent Advisory Council for the Caring Connection, (a project to develop parent support groups and a central parent data base funded by a federal grant administered through South Carolina DHEC), 1991-1993.
- (5) Steering Committee - Parent and Professional Alliance (a program designed to Integrate parents of handicapped children into the education of medical students, residents, and other health professionals. Funded by a grant from the S.C. Governor's Council on Special Education).
- (6) Member, Lions Club of Charleston, SC.
- (7) Have spoken to Lions Clubs across the state on behalf of the Storm Eye Institute.
- (8) Have spoken to meetings sponsored by the National Federation of the Blind of South Carolina, the Association for the Blind of South Carolina, and the South Carolina Commission for the Blind.
- (9) Have conducted statewide vision screening workshops for public school health nurses and low vision teachers.
