

John H. Robinson, MD

Education

Medical	Jefferson Medical College of Philadelphia, Pennsylvania	MD 1968
Undergraduate	Bethany College, Bethany, West Virginia	BS 1964

Training

Residency	Plastic and Reconstructive Surgery Medical University of Ohio, Toledo, Ohio	1972-1974
Residency	General Surgery St. Louis University Hospitals, St. Louis, Missouri	1969-1972
Internship	General Surgery St. Louis University Hospitals, St. Louis, Missouri	1968-1969

Board Certification

American Board of Plastic Surgery	April 1975
-----------------------------------	------------

Licensure

South Carolina	2004-Current
Ohio	1973-Current

Hospital Privileges

Medical University of South Carolina	Program Director of Plastic Surgery	2004-Current
East Cooper Regional Medical Center	Hospital Staff	2002-Current
St. Vincent Mercy Medical Center	Hospital Staff	Resigned 2004
St. Anne's Mercy Hospital	Hospital Staff	Resigned 2004
Surgicare Outpatient Surgery Center	Hospital Staff	Resigned 2004
Regency Outpatient Surgery Center	Hospital Staff	Resigned 2004
Flower Memorial Hospital	Hospital Staff	Resigned 2004
The Toledo Hospital	Hospital Staff	Resigned 2004

Academic Appointments

Medical University of South Carolina	Associate Professor of Plastic Surgery	2004-Current
Riverside Hospital	Chief of Section, Plastic Surgery	1994-1996
Medical College of Ohio	Clinical Associate Professor of Plastic Surgery	1992-1995
Mercy Hospital	Chief of Section, Plastic Surgery	1991-1994
Mercy Hospital	Chief of Section, Plastic Surgery	1991-1994
St. Vincent Medical Center	Chief of Section, Plastic Surgery	1990-1995
St. Vincent Medical Center	Chief of Section, Plastic Surgery	1979-1980

Membership in Professional Societies

Association of Academic Chairmen of Plastic Surgery
American Society for the Surgery of the Hand
American Association for Hand Surgery
American College of Surgeons—Fellow

American Society of Plastic Surgeons
American Cleft Palate Association
Ohio State Medical Association
Ohio Valley Society for Plastic and Reconstructive Surgery
Academy of Medicine of Toledo and Lucas County
Toledo Surgical Society
The Frederick M. Douglass Foundation
Charleston Medical Society

Publications

- Robinson, J.H. A systematic review of reviews comparing the effectiveness of endoscopic and open carpal tunnel decompression. *Plastic and Reconstructive Surgery*, January 2005. (Letter to the Editor.)
- Robinson, J.H. Airway obstruction following closed reduction of nasal fractures. *Plastic and Reconstructive Surgery*, October 2004,114(5):1357-1358. (Letter to the Editor.)
- Robinson, J.H., Jazayeri, M. (2000). Intra-neural perineuroma involving median nerve. *Plastic and Reconstructive Surgery*.
- Ghakaraboty, J., Ariss, M., and Robinson, J. (1999). Effects of growth factors on cells of flexor retinaculum from patients with carpal tunnel syndrome. 39th American Society of Cell Biology, Washington, D.C.
- Robinson, J.M., Robinson, J.H., Chakaraboty J. (1997). Collagen matrix contractility comparison of cell of gabbiani and the myofibroblast of carpal tunnel syndrome. (submitted).
- Allampallam, K., Ghakaraboty, J., Krejci, M., and Robinson, J., (1996). Morphological assessment of flexor retinaculum from individual with and without carpal tunnel syndrome. (submitted).
- Reddy, S., Chakaraboty, J., and Robinson, J. (1996). Cellular characteristics of flexor retinaculum from bilateral biopsies of patients with carpal tunnel syndrome. 36th American Society of Cell Biology, San Francisco, CA.

- Allampallam, K., Chakaraboty, J., Bose, K., and Robinson, J. (1996). Explant culture immunofluorescence and electron microscopic study of flexor retinaculum in carpal tunnel syndrome. *Journal Occupational and Environmental Medicine*, 38:264-271.
- Allampallam, K., Ghakaraboty, J., and Robinson, J. (2000). Effect of ascorbic acid and growth factors on collagen metabolism of flexor retinaculum cells from individuals with and without

carpal tunnel syndrome. *Journal of Occupational and Environmental Medicine*, 42(81;251-259).

Stuesse, D., Robinson, J., Durzinsky, D., (1995, December). A late sternal wound infection caused by hematogenous spread of bacteria. *Chest* 108:1742-1743.

Robinson, J., (1992, September). Relationship of speech pathologists and surgeons. *Cleft Palate-Craniofacial Journal*, 29 (5):489, Letter to the Editor.

Robinson, J., (1992, November). Adaptive hypertrophy of the digit after transposition. *Plastic and Reconstructive Surgery*, 90 (5): 933. Letter to the Editor.

Robinson, J., (1992, July). Association between adenoidectomy, velopharyngeal incompetence, and submucous cleft. *Cleft Palate-Craniofacial Journal* 29, (a):385. Letter to the Editor.

Robinson, J., (1992, April). Healing chronic wounds with epidermal growth factor. *Plastic and Reconstructive Surgery*, 89 (a): 771. Letter to the Editor.

Loder, R., Robinson, J., Jackson, W, and Allen, D., (1988). A surface ultrastructure study of ganglia and digital mucous cysts. *Journal of Hand Surgery-American*, Volume 13 (5): 758-62.

Kelleher, J., Robinson, J., and Yanik, M. (1985). The pattern abdominal pedicle flap in reconstruction of the hand and forearm: evolution of the Toledo flap. *The Hand, Tubiana*, Vol. 2. (320-341). New York: WB Sanders.

Robinson, J. (1983). Abdominal pedicle wrist carrier for toe-to-thumb reconstruction. *Orthopedic Review*, Vol. XII, No 7,95-99.

Kelleher, J., Sullivan, J., Baibak, G., Robinson, J., Yanik, M., (1982, June). Large combined axial vessel pattern abdominal pedicle flap. *Orthopedic Review*, Vol. XI, No 6.

Robinson, J., Dyas, C., Kelleher, J., Sullivan, J., Baibak, G., (1982). Reconstruction of the thumb. *Hand Surgery*, 3rd Edition. Chapter 11, Wiltiam & Wilkins, Co.: Baltimore, MD, 1982

Chaikhouni, A., Dyas, C., Robinson, J., Keltcher J., (1981). Latissimus dorsi free myocutaneous flap. *Journal of Trauma*. 2150. 398-402

Presentations

Bisseck, M., Widenhouse, B., Robinson, J., Craigie, J., Kline, R. Radiation Induced Injury to the Reconstructed Breast, Submitted for Acceptance at the Southeastern Society of plastic and Reconstructive Surgeons, June 2005 Meeting.

Robinson, J.H. (May 8, 2005) Medical University of South Carolina Goals and Objectives for Plastic Surgery Resident Education presented at the Association of Academic Chairmen of Plastic Surgery Meeting, Scottsdale, AZ (Invited Speaker).

Blue ML, Gauthier S , Keramati M , O'Neill P , Robinson J H. Gigantomastia, rheumatoid arthritis, and lupus during pregnancy: A case report. Abstract accepted for presentation at the American Society of Plastic Surgeons Senior Residents Conference, March 17,2005, Houston, TX

Robinson, J.H., Ghakraorty, J., Ariss, M. (1999, December). Effects of growth factors on cells of flexor retinaculum from patients with carpal tunnel syndrome. Paper presented at the 39th Annual Meeting of the American Society for Gell Biology, Washington, DG.

Reddy, S., Ghakraborty, J., Robinson, J. (1996). Cellular characteristics of flexor retinaculum from bitateral biopsies of patients with carpal tunnel syndrome. Paper presented at the 6th International Congress on Cell Biology, 36th American Society for Cell biology Annual Meeting, San Francisco, California.

Abboud, J., Barone, F., Robinson, J., (1995, June). Limited incision technique for carpal tunnel release and clinical review. Paper presented at the Ohio Valley Society for Plastic and Reconstructive Surgery, Cleveland, OH.

Alfampallam, K., Ghakraborty, J., Robinson, J. (1994). Study of collagen metabolism in cell cultures from flexor retinaculum of individuals with carpal tunnel syndrome. Paper presented at the 34h Annual Meeting of American Society for Cell Biology, San Francisco, California.

Affampaflam, K., Chakraborty, J. and Robinson, J. (1994, December). Cellular basis for carpal tunnel syndrome, molecular biology of the cell. Paper presented at the 34th Annual Meeting of the American Society for Cell Biology, San Francisco, California.

Allampallam, K., Chakraborty, J., and Robinson, J. (1993, December). Cellular basis for carpal tunnel syndrome, molecular biology of the cell. Paper presented at the 33rd Annual Meeting of the American Society for Cell Biology, New Orleans, Louisiana.

Barone, F. and Robinson, J. (1990, October). Facial reanimation Paper presented at the American Society of Plastic and Reconstructive Surgeons National Meeting, Boston, MA (poster exhibit).

Robinson, J. (1982, October). Ahdominal pedicle wrist canier for toe-to-thumb reconstruction. Paper presented at the American Association for Hand Surgery, Lahaina, Hawaii.

Robinson, J. (1981, October). Acute injuries of the hand. Paper Presented at Wayne State University School of Medicine, Detroit, MI.

Robinson, J. (1981, December). Towsley Visiting Professor, University of Michigan, Ann Arbor, MI.

- Robinson, J. (1981, October). Secondary repair of flexor tendon injuries. Panelist at the American College of Surgeons, Annual Meeting, San Francisco, Ca.
- Robinson, J. (1979, April), Cleft lip and palate; the aft of surgery. Paper presented at Bowling Green State University, Bowling Green, OH.
- Robinson, J. (1979, January). Melanoma. Paper presented at Oncology Seminar, Medical College of Ohio, Toledo, OH.
- Robinson, J. (1979, January). Anatomy of the hand, Paper presented at St. Vincent Medical Center, Toledo, OH.
- Robinson, J. (1979, January). Pathophysiology of large burns. Paper presented at Medical College of Ohio, Toledo, OH.
- Robinson, J. (1979, January). Wound healing. Paper presented at St. Vincent Medical Center, Toledo, OH.
- Robinson, J. (1979, January). Alternatives to microsurgery. Paper presented at the American Society of Plastic and Reconstructive Surgery meeting in Toronto, Canada.
- Robinson, J. (1978, December). Salvage of severed extremities. Paper presented at Vascular Surgery Seminar, St. Vincent Medical Center, Toledo, OH.
- Robinson, J. (1978, May). Embryology and surgical aspects of cleft lip and palate, Paper presented at Bowling Green State University, Bowling Green, OH.
- Robinson, J. (1978, May). Pediatric burns. Paper presented at REMSNO Lecture, Toledo, OH.
- Robinson, J. (1978, May). Hand injuries. Paper presented at Trauma Symposium, St. Vincent Medical Center, Toledo, OH.
- Robinson, J. (1975, May). Pathophysiology of burns. Paper presented at the Ohio State Coroners Association meeting, Toledo, OH.
