

# 2010 Mental Health Professionals Collaboration

**Thursday,  
April 29, 2010**

**Medical University of South Carolina  
Department of Psychiatry & Behavioral Sciences  
Charleston, South Carolina**

Please join us for the first Mental Health Professionals Collaboration, hosted by the MUSC Department of Psychiatry & Behavioral Sciences. This one-day conference will bring together speakers from various disciplines to educate attendees on a range of mental health-related topics including the most current treatments and attendees' possible roles in the treatment process. Speakers will discuss how practitioners collaborate with physicians and psychologists to provide the best patient care possible.

(7 CE credits)

**REGISTRATION FEE: \$75**
